Bonnie: The Secret Bride

Merry Farmer

Bonnie: The Secret Bride Merry Farmer
(Please note that this is the sweet version of *His Secret Bride*)

Bonnie Horner, madam of Haskell, Wyoming's house of ill repute, Bonnie's Place, has worked hard to make a better life for the girls unfortunate enough to end up in her employ. In fact, her Place serves more as a shelter and refuge than a brothel. For years, Bonnie has sacrificed her own happiness for the sake of her girls, going so far as to manufacture a sham engagement to local cattle baron Rex Bonneville in order to keep her Place financed. But when Rex demands the wedding take place, Bonnie finds herself in an impossible situation. Before she can marry Rex, she must divorce the husband she has kept secret for nearly ten years.

Rupert Cole has built a life for himself as half of the extremely successful King Cole Construction company out of Everland, Wyoming. But he has never forgotten the wife that he disappointed and drove away. When Bonnie appears in Everland, he thinks his deepest wishes for a second chance have come true. Instead, he finds himself embroiled in the battle of his life...the battle to win Bonnie back. But can love truly conquer all, or will Rupert and Bonnie both be forced to sacrifice their chance at happiness to save Bonnie's girls?

PLEASE BE ADVISED: Steam Level = Sweet

Lisa says

3-3.5 stars

This is more angsty than I thought it would be. Anyway, I was surprised to find out that Bonnie was actually fairly young? I gathered from the previous books that she's one of the middle-aged citizens of Haskell but apparently not.

I love Bonnie's backstory and her relationship with all the girls under her care. Not very much a fan of Rupert though; I was over him the first time he slut-shamed Bonnie. Anyway, I'm glad Bonnie's got her own HEA, although she could definitely do better than Rupert, bleh.

Izzie d says

This is a second chance romance but fits into the series nicely.

Judith Sherrod says

Not what I thought

This was a spur of the moment but. The book is indeed funny and sexy. The names of some of the characters are really outrageous. It could have used a little more depth.

ReadingWench says

I must admit, I did not like this book as much as others in the series. I just felt it was rushed and a bit boring.

InD'tale Magazine says

4.5/5.0

This vibrantly written western historical lassoes the heart and satisfies the mind!

Read full review in the 2017 March issue of InD'tale Magazine.

Corey says

The secret bride

Another great read by Merry in the Brides of Paradise series. I love the crossover ties to Everland. The story about Bonnie and Rupert reminds me of a line from my favorite movie "The Color Purple" - sinners have a soul too. Good Job Merry! Can't wait for the next one. Thank you so much for the sweet versions.

Glenna Wheat says

Another good read in this series

This was a little bit different in the story. I am so glad that Rex finally Got what he deserved.

Leona Jackson says

Secrets

Sometimes women are forced to do things to survive. When such choices are made at the expense of love is hard. Merry Farmer tackle a subject not often talked about in a thoughtful way. She writes with such power you can feel the emotions of the characters. Haskell is a town I hope she continues to visit to bring great stories of its citizens.

A Voracious Reader (a.k.a. Carol) says

4.5/5.0

Read full review in the 2017 March issue of InD'tale Magazine.

Izzie d says

This is a good story.

Renea Westlyn says

Good one

I'm so happy it ended that way! I really don't like Rex at all and I feel sorry for his eldest daughter. She needs

an annulment or a safe house. Looking forward to George's story.

Jenark says

Emotional

I found Bonnie's story to be emotional and heart wrenching. This book shows what true love can look like; sacrifice .
