## **Curves and the Sheriff** Jenn Roseton

When Libby Grant breezes into Coldwater Springs, Wyoming, the last thing she expects is to be pulled over on the highway by Sheriff Jake Morgan. Sparks fly when Jake suspects her of being a con-artist and is tempted to arrest her!

But when he discovers the real reason she's in town, he finds he can't get curvy Libby out of his mind - or his heart. Can he convince her that his feelings for her are real?

## Tamara says

Free read

---

## Lora J. says

Good read thx

---

## Lucinda Elliot says

I really enjoyed this, partly because of the humour in it. My favourite scene had to be the comedy in the library, when the know it all Sheriff can't operate the checking out machine. It's all well written, though, which is my number one requirement in any read.

Curvy Libby Grant is moving to Coldwater Springs to join her cousin Sarah and to take up a new job in the library. Her life doesn't seem set to be very exciting, but when the local sheriff Jake Morgan pulls her over, accusing her of being an experienced con woman and thief, things change.

I liked the opposing characterisation in this: Libby of the curves, reasonable, humorous, self-doubting, and her opposite number, the arrogant, lean and hard Jake, a bit too full of himself, who needs, as he admits, 'Someone to keep me n my toes'.'

## Angel Ratcliffe says

### Cowboy Sheriff!

This story was amazing! Jake and Libby get off to a rocky start but the ending was perfect! I love small town romances

---

## Simone says

3.25 stars

### **Curves is the way to go**

Libby comes back to town to start her job at the library and for her cousin Sarahs' wedding. Just when she's about to enter town when she is pulled over for being a suspected con woman with a stolen car. From this comedy of errors comes the spark of true love between the town's hot sheriff and the Curvy librarian.

## **Donna Feibusch says**

### **A Great Read!**

I enjoyed reading Curves and the Sheriff (BBW Romance - Coldwater Springs 2), all about Sheriff Jake Morgan & Libby Grant who meet on the side of the road when the Sheriff pulls her over. Libby is taken into the Sheriffs office because he doesn't believe she owns the car she's driving. The author wrote a very interesting story and the characters bring the story to life. It's about two people one who totally dislikes him & the other who can't seem to stay away from the other. Read this book it will make you laugh, sigh, shake your head and cum a bit. This is the second book in the series, and so far I've enjoyed both and can't wait to read book three.

## **Mish says**

Hot sexy sheriff and sassy sweet librarian a sassy sweet short sexy read

---

## **Amanda R says**

Super fast read. sometimes mistakes end up being a good thing!

---

## **Mary Roy says**

Interesting story and just as I was really getting in to the story it was over. Boy meets girl, boy dates girl then boom they are in love and in bed. I enjoyed what I read but it felt that I was reading a scene of a bigger story. I needed more. Will I read from this author, yes.

---

## **Jo-Anne says**

In Curves and the Sheriff we meet Libby Grant who is moving to Coldwater Springs to start a new job in the library. Before she even gets to town, she is pulled over by the sheriff, Jake Morgan. He tells her that a car of her type is wanted because the owner is an experienced con-woman and thief. After checking her licence, he finds she is not the person the police are looking for and lets her go. Somehow, even thinking the worst of each other, there is attraction between them. They meet again later, and sparks - very quickly - fly.

I liked the characters of Libby Grant and Jake Morgan but at first I thought Jake was a jerk. This was a cute little novelette which didn't take long to read at all. I noticed that there was a lot of repeating of scenes and dialogue from Coldwater Springs 1 which made me lose interest in this story.

---

## **Amanda Sheila says**

A cute little story and how I want to read the full version of it. Don't we all love romance between sheriff and cute chubby girl? Yep, at least I do! :)

## **Cara Ross says**

I am so excited to be reading another Jenn Roseton book, I think I have read Curves for the Cowboy a million times and I love it every time. So as soon as I saw Curves for the Sheriff I snapped it up and I am so glad I did as it is my favorite story.

So we start our story off with Libby Grant heading to Coldwater Springs. Who is Libby Grant I hear you ask? Well Libby is the cousin and former roommate of Sarah Grant, whom hopefully you will remember from book 1. Anyway Libby decided to give Coldwater Springs a go, after seeing just how happy Sarah was. So after finding a position at the Library, Libby is heading for her future. That is until the Sheriff picks her up on suspicion of car theft.

Once the confusion is cleared up, Libby is free to go and hopes never to cross paths with Sheriff Jake Morgan (whom is hunky btw) again. Unfortunately for Libby (but not for us) that doesn't happen, as Jake is Chase's best friend. So from there we begin the rough and tumble courtship of Libby and Jake.

This book truly is my favorite! I love Jake's grumpiness and Libby's hot headedness. I also love the way that the author has tied this book in to Curves for the Cowboy, as it feels like a continuation of the story.

The writing was smooth and the story so sweet with a racy end. I give Curves for the Sheriff 10 out of 10.
