Delivery with a Smile

Delivery with a Smile Megan Derr

Jack worked hard to obtain a normal life. He might not love it, but it's better than the criminal life he left behind—even if it cost literally everything, and he really does hate being a damned delivery man. On the bright side, his route includes a friendly old lady who makes the world's best cookies and regales him with tales of her hot, jet-setting son. Normalcy definitely has perks.

Then he walks in on her and her son arguing with men at gunpoint.

Free short story written for the M/M Romance Group's "Hot Summer Days" event.

Another great little short from the Hot Summer Days event! I am a sucker for a light-hearted, funny story and this hit the spot. It was sexy, well-written, and accomplished so much with not so many words.

This was actually pretty good! I only wish had been longer. Great banter and chemistry, but it felt rushed because of the short length. Still, a nice story.

This is a great short story with madcap pacing and lots of chemistry. It made me smile.

Funny and not a dull moment. One badass, one sweet old lady, and one cute delivery boy show each other that appearances are deceiving.

Fast-paced, mildly sexy, with some fun banter, but the ending was crap. I hate abrupt endings. I was hoping for an epilogue set in Rio.

The funny thing is this was just ok for me as a short, but if it was ever adapted into a full length novel I think

I would absolutely love it. The characters were quirky and fun, and it was nothing like what I expected. I loved the premise and the action, but everything was just a little too rushed for me to really enjoy it.

I want to see Jack and Allen really have time to fall for each other not just fall into bed. I giggled madly at the turns this adventure took from the no one special delivery man who turns out to be a whole lot more than expected, to the hit man's mom whose one remaining goal in life is to hook her son up with a "nice boy." Nothing was quite what I expected and it was a fun romp. I just feel a little cheated because I feel like these characters and this story could be fan-freakin-tabulous as a full length novel.

Still as a short it's complete with a nice beginning, middle, and end. There's fun banter and flirting. Plenty of action to kick things off with a bang and drag the reader along on the ride. I'm just going to keep my fingers crossed that maybe someday I'll see something a little more come along and I'll get the chance to snap it up in a heartbeat. :) I do enjoy Ms. Derr's writing after all.

Loved it :)

I would love a longer story with these guys. They have such potential :O)

Really fun free short story about Jack, a delivery man with a shady past, whose usual delivery to a sweet old lady goes totally wrong when he walks into a gun fight and finds his life taking a 180 as he's swept up with a hit man (and his mom).

This is the first story I've read by Derr, and I appreciated both its humor and its fast pace, as well as the developing chemistry between the MCs. A very fun read, and I'm looking forward to checking out the sequel The Christmas Package.

As a heads-up, this is a free read from the M/M Romance Group's Hot Summer Days event, but if you're not a member of that group, it's also free to grab from Less than Three Press.

These stories -- this and its short short sequel, The Christmas Package -- are funny, breezy, entertaining reads with just enough romance and just enough action. I only wish there were more of them, and that they were longer.

THIS IS MY STORY! Hehe. Okay, not my story but it was written because I posted the Dear Author

request! Lol.

I absolutely loved it and Jack and Allen. Allen's mom is a hoot. I hope Ms. Derr writes more about these two some day. I'd love to know how their relationship works out with Jack as Allen's new handler! :D

Thanks so much, Megan! :D

***** 3,5 Hitman stars *****

Allen laughed again, and really, the man was crazy hot for all he looked liked he'd fallen out of a movie or a video game.

You don't say?

~Timothy Olyphant in Hitman (2007)~

Enjoyable read where a delivery man finds common ground with another "delivery" man.

And his mom? LOL

"You should sit up front, sweetie."

"Mom!"

"Don't be sore with me for being right," she replied tartly.

This shorty hit the ground running and kept the pace until the final (abrupt) page.

I didn't even glance at the synopsis, so the unexpected premise was actually a treat, if a little (a lot) unrealistic.

Overall, an engaging story for its size and theme.

I'm not sure what I expected of this.

I'm not sure what I thought of this.

I'm not sure what this review will be like (other than 'short').

Okay, it was a decent enough short story. It wasn't anything mind blowing, but it amused me somewhat. There are plenty of faults – repetition in the writing, the flatness of some characters – but there were enough positive aspects for me to give it a three star rating. Mostly, the amusement won me over.

It was a free read, therefore I cannot complain.

Offered for FREE from the M/M Romance Group, Hot Summer Days event. Can be downloaded for an eReader at Less Than Three Press.

This was a great little short. Despite the length this was a complete story with a beginning, middle, and end and a nice HFN ending. It's not as easy as it sounds to have a short but thorough story with just enough detail and character development but not so much that it bogs down the story. Well done Ms. Derr! If you liked this then I would recommend one of my favorite hitman books (or books period), Zero at the Bone by Jane Seville.

YIPPIE, there is a sequel to this! The Christmas Package
