Kade's Dark Embrace

Combining paranormal romance with a suspense-filled plot, Kym Grosso does a great job creating an exciting, steamy novel for our enjoyment. The story of Kade and Sydney kept me glued to the pages. Sydney, a very human kick-ass detective, is not going to hear of a vampire detective taking over her case. As they work together to solve the murders, the attraction between Kade and Sydney is unstoppable. Kade, being your hot, hot, hot alpha male, tries to keep her away from the danger. Not going to happen when the headstrong Sydney is involved. With strong secondary characters, whose books I can't wait for, intriguing mystery and all varieties of paranormal entities, Kade's Dark Embrace is an easy to read, well-written story which was a delight to read.

Luca's Magic Embrace

Blending smoothly with the first book, Kade's Dark Embrace, Kym Grosso has upped the steam a notch in Luca and Samantha's story. I thoroughly enjoyed this romance set in mystical New Orleans. I liked the interaction with the original characters and the addition of new ones. While Luca started out having no time for humans whatsoever, his attitude quickly changes when it involves Samantha. Samantha, drawn against her will into a strange new world, just wants to return to her old life. Unfortunately for her, that's impossible, and, when someone comes after her, Luca goes into protective alpha mode. I enjoyed the strong storyline, and the unexpected plot twists in Luca's Magic Embrace. The heat was smoking! Although a stand-alone novel, I would suggest reading Kade's Dark Embrace, because you don't want to miss one minute of these Immortals of New Orleans.

Tristan's Lyceum Wolves

Kym Grossos writing just keeps getting better and better. Tristan's Lyceum Wolves is the third novel in the Immortals of New Orleans series. I was anxious to read Tristan's story, his lusty character really appealed to me, and I was not disappointed. Tristan is head of the Lyceum Wolves in Philadelphia. A single Alpha male who enjoys every bit of it and has no intention of changing. Well, at least until he meets Dr. Kalli Williams whom he has an overwhelming desire to protect. This well-written story is chock full of intrigue, betrayal, romance and hot, hot sex. I loved every minute of it. I really enjoy the way Kym is developing this series, and the mixing of human, witch, vampire and werewolf romance. Kym Grosso has a way of writing that will make you fall in love with her characters and get so involved in the plot, you won't be able to put the book down.

Logan's Acadian Wolves

Logan has his hands full being the new Alpha of the Acadian Wolf pack in New Orleans. He needs no distractions, but in rescuing Dr. Wynter Ryan that's exactly what he gets. Logan and Wynter's story is passionate and sexy. The ensuing hunt and mystery leads to danger and intrigue that had me enthralled right to the end. I love the depth of the characters, and the strong writing combined with steamy hot romance make this a series that is sure to please any lover of paranormal romance.

Patricia says

This boxed set is a MUST for any paranormal romance reader, who loves a hot alpha male, a strong female, and a happily ever after. Kym Grosso lures you in with hot vampire and equally sizzling female in Kade's Dark Embrace. Meet Kade Issacson and Detective Sydney Willows; follow them as they work together in solving a string of murders from the tough streets of Philly to the seductive streets of New Orleans.

Luca's Magic Embrace, is the second book in the Immortals of New Orleans. Kym's enchants the readers with Luca Macquarie and Samantha Irving. As Kade's second and head of security, Luca's dislike for humans is known by all. But what happens when Samantha an innocent human female begins to melt the cold heart of Luca? Read their story as they search for a magical amulet that will set Samantha free.

In Tristan's Lyceum Wolves, Tristan Livingston is the alpha of the Lyceum Wolves in Philadelphia. After surviving the destruction of his club, Tristan rebuilds only to bounce back with a premier nightclub that caters to the super natural. Dr. Kallie Williams is a veterinarian, who is keeping a secret that endangers not only her well-being, but the entire wolf population. Follow along as Tristan and Kallie learn to trust each other and save his pack.

Logan's Acadia Wolves, is the fourth book in the series. After suffering a massive loss, Logan Reynaud, becomes the new alpha of the Acadian Wolves in New Orleans. While celebrating at a local bar, he rescues woman who is being chased. One look at her and he knew she was the woman who had been haunting his dreams. Dr. Wynter Ryan is a virologist, who has been working on secret project. Together, Logan and Wynter uncover a plot that will destroy the Acadian Wolves if it is not stopped.

This boxed set is filled with action, passion and romance. There are some steamy scenes that will leave any reader weak in the knees! All in all, Kym Grosso deliveries not once but four times in this boxed set!

I have been meaning to read this series for a while now, since the first time I met Kym Gross at a book fair. I ended up listening to them on audio. I was pulled into the storyline pretty quickly and knew I needed to read them all, through book 8. I cannot wait for Quintus to come out!

Elaine Kirby says

Excellent!

These 1st 4 books in this series were excellent in as they had every thing that I love in a paranormal romance book. They had a good vs bad plot, lots of descriptive sex scenes & recurring characters from either previous books or books that will be coming in the future. However, for me reading these 4 books were a re-read as I'm try to finish reading this series from beginning to end & I because I've never gave a review of this set.

Book 1 - Kade's Dark Embrace - Made Isaacson, a vampire finally meets his 1 in a human cop named Sydney Willows. They start their relationship off trying to find out who is killing women by draining them of their blood without any puncture wound.

Book 2 - Luca's Magic Embrace - Luca Macquarie is Kade's head security vampire & was travelling with the local head witch & Samantha Irving (hopefully new to be witch) who needs a cleansing by the coven as she was exposed to bad magic in Book 1. Samantha is his 1 but she is also still in danger in this book. Also, a new vampire named Leopold shows up in this book & the next 3 books in this series.

Book 3 - Tristan's Lyceum Wolves - Tristan Livingston, wolf & BFF's with Kade & was also in the 1st book meets his mate Dr. Kalli Williams, human. Secrets are abound in this book.

Book 4 - Logan's Acadian Wolves - Logan Reynaud was Tristan's Beta but after the death of Tristan's brother Marcel he becomes Alpha of Marcel's pack. His mate Dr. Wynter Ryan was at 1 time human but becomes wolf in this book & she has a connection with another Alpha who has been mentioned since Book 1.

I as always am just giving you a little taste of these books in order to entice you to read all of the books in this series.

Quick summaries

Book 1 – Kade's Dark Embrace – Vampire/Human based PNR. Ok for a first book in a new series. Hero, Kade, is alpha type and ruler of the Vamps. Heroine, Sydney, is a detective, sexy loner type who gets it on with the local werewolf alpha. The two cross paths during a murder investigation. Insta-lust ensues. 3 1/2 stars for a basic PNR story with world building.

Book 2 – Luca’s Magic Embrace – Vampire/Witch based PNR. I didn’t enjoy this one as much as the first one probably because I didn’t care for the characters as much. Vampire, Luca, is beta to Kade in first book but very alpha male in his own right. Heroine, Samantha, is a reluctant witch. Luca is kidnapped, rescued, Sam is on the run, Luca pursues to “protect her”, baddies pursue, insta-lust ensues. 3 stars for another basic PNR.

Book 3 – Tristan’s Lyceum Wolves – Werewolf based PNR. I think I like her shifters waaaayyyy more than the vamps! Hero, Tristan, is the werewolf alpha we met in book 1 who was “friends with benefits” to our heroine Sydney. He’s the total package with all that we love in our PNR werewolf alphas. Heroine, Kalli, is a brilliant scientist and is hiding a secret that will get people killed. Nice simple mystery, danger and build up for the next few shifter books. This one is probably my favorite so far out of the series. I would even say you could even start with this book as an intro to the world, if you wanted to skip the vamps entirely - 4 stars.

Book 4 – Logan’s Acadian Wolves – Werewolf/Human Hybrid based PNR. Continuing to love the shifters books! Hero, Logan, was beta to Tristan in book 3 but through a tragic twist of fate has become alpha to a new pack. Heroine, Wynter, is a virologist who was duped into working for the baddies. One night she escapes and they cross paths. Logan knows that Wynter is his mate and will do anything to keep her safe seeing as how he had a premonition of her dying. It’s a race against time while they figure out who all the baddies are and stop a deadly virus from killing shifters and hybrids alike. Definitely a better, more well-rounded story than the previous books. Kym is showing that she’s more comfortable in this world now and there are more of the elements of what we love with PNR books (i.e. mystery, strong characters, sexy, sexy, sexy) – 4 stars.

Allyson Morris says

So dang good!! All four books I got for 99 cents and wow what a great deal. Vampires, Wolfs , suspense, love, hate, and sex !! Wowzers I enjoyed all of these so much !!!

KADE'S DARK EMBRACE (Book 1)

Fantastic story, especially on audio! Sydney and Kade are wonderful. Sydney is strong, courageous and independent. Kade is overbearing, protective, sexy and determined. Their relationship starts rocky and is a blast to watch unfold. The other characters are as well created and irresistible. The plot is dark and twisted, fast-paced and entertaining. I was shocked that this is the debut paranormal for Kym Gross - - - and I cannot wait for more!

LUCA'S MAGIC EMBRACE (Book 2)

This is Book 2 in a wonderful sexy series.....The Immortals of New Orleans. In this book, Luca's Magic Embrace, The chemistry between Luca and Samantha is hot hot hot!!! This is a wonderful love story. The steam factor between the two of them keeps rising to on fire throughout the book. There was a lot of adventure, and kept me hooked until the end...loved it!!!

TRISTAN'S LYCEUM WOLVES (Book 3)

This is book 3 in the series. I loved the story of Tristan and Kallie. Great interaction between the two of them. Interesting premise of a drug that stops shifters from shifting. Loves of shifting and Hot sex, including

a ménage! Really loving this series! On to book 4. Fantastic book for all paranormal lovers.

LOGAN'S ACADIAN WOLVES (Book 4)

OMG, book 4 was my favorite in the series. I loved the story of Logan and Wynter. This book was off so steamy, my Kindle was getting really warm. The ménage scene with Logan, Wyn and Dimitri was so hot!!! This was a longer story, but well worth every page!!

Cheryl Liacos-Halstead says

Four excellent stories of finding your mate. The stories have a good mystery, action, romance and awesome humor! I enjoyed reading each story but I will admit Leopold will prove to be very interesting! The characters are interesting but the sexual content is way overdone. Do I recommend these books, not really unless you want to read a lot about sex!
