Most men cheat. As women, we've all experienced that. Yet, some men cause hurt beyond infidelity. Some men are so ruthless, conniving, and reckless with love that they selfishly destroy the lives of every woman that is unfortunate enough to cross their path. Some women haven't experienced this level of deception. Those women should consider themselves lucky. However, the unfortunate that fall victim to these magicians of trickery and manipulation aren't so lucky. To these women, unfaithfulness is a cake walk. Aaliyah, Tabitha and Jaleesa are examples of these women. Sometimes you can see a man's games from a mile away. Unfortunately, Nas and Moses put much effort in disguising their deception as unconditional love. There is no question that love is presumed to exist somewhere in these relationships. Yet, the drama that comes along with Nas and Moses' love is life damaging, and Aaliyah, Tabitha, and Jaleesa eventually learn that bad men love love too. Fall into this gritty tale of deception, that goes far beyond petty unfaithfulness and lies, that will leave you realizing that some men simply ain't sh*t.

Shanita Wade says

Fast-paced, good Read

I hate reading books about stupid women, it drives me crazy they are always so forgiving and holding on to fake love. I hope is women aren't that stupid in real life! The book was well written but I didn't like the story at all!

Review

Every woman has their breaking point, just ask Tabitha. It took her years, but she finally said enough was enough. Nasim had no respect for nobody, and it showed by his actions. He wanted the fame and fortune, but he wanted others to work for it while he reaped the benefits.

Aaliyah let false hope make her lose out on everything.

Moses gave Nas his loyalty, but got the short end of the stick. He did Jalissa so wrong, but she stuck by his side when he needed her the most. She didn't do him dirty even though she could've. I'm ready to read part 2.

L. Michele D says

Loved it!

The only thing that really pissed me off was how dumb this Nas dude was.. Like really bro you doin all this dirt but leave ya money in the easiest to find places around the ones you doin dirt too?? To be getting away with so much criminal stuff he sure was making some elementary mistakes. But anyway the plot was everything! Glad part two is already out!!

Ni#\$\$ really ain't S#\$\$

Nas name suited him well.this book was filled with 2 much drama damn.Moses Fabe,& Nas was terrible men to they women .Tabitha,Jaleesa &Aaliyah deserve better.I don't think I wanna read the next part.

Shekie Johnson says

Nigg@# aint sh@#

I guess Nas got what was coming to him.. This man was so low down!! He had no loyalty to anybody!! Poor Essence, I felt so bad for that baby!! Moses Moses, pull through.. On to part two I go..

Carla Hamlin says

Wow

I loved it from start to finish. I look forward to reading more from this author i hope there is a part two

Velna Wells says

NAS!!

WOW! I am speechless!!! Awesum read!! Poor Aaliyah....She should hve felt something wasn't rt w Fabe after the mentioning of the paternity. Can't wait 4 pt 2!!!!

Emquegee says

4/5 stars because of a few typos. Weren't really that many so I appreciated that fact. The story was interesting, fast paced & kept me entertained. The guy Nas was a piece of ?. The book ended on a cliffhanger so I will probably be reading part 2 soon.

Pamela Johnston Ward says

Perfect title

This is the perfect title for this book. NAS definitely lies up to the meaning of those letters. His arrogance was a complete turn-off. He thought that he was untouchable, and I am glad that he got what he deserved. My girl Karma comes through everytime. He had all of those chicks caught up in his web of lies and deceit. I can't believe that all of them were that stupid. Poor Aaliyah really got played. I can't wait to read the next installment.

Cryssy says**Definitely A Must Read!!**

This book grasped my attention from page one. Even though this book is fiction, it brings the bittersweet reality of what some women deal with from the men that they love. This books also shows how far one person's selfishness and jealousy will make him go to gain power, even if it means bringing down those around him and the ones that love him the most. I gave this book five stars because of how well written and how the author was able to capture my attention as if I wasn't reading a book. I would recommend this book to anyone interested in Urban Fiction, Urban Literature, and ect.

Tanya Johnson says**Worth a read.**

From the first sentence.... My mouth was twisted in an O. This was yet another delight by Jessica. Can't wait until the next part. Please read it's well worth it!!!!!!

Shekie Johnson says

Awesome read!!

I guess Nas got what was coming to him.. This man was so low down!! He had no loyalty to anybody!! Poor Essence, I felt so bad for that baby!! Moses Moses, pull through.. On to part two I go..

Abigail Gluck says**Good read,want more...**

I just needed to finish the story and see if she got away with it.of course I'm rooting for my girls!!!

Peggy Barnett says**Excellent well written book about deception!!!**

At times I was one of the characters in this book. This author deserves kudos for the gritty way in which this book was written. I look forward to reading more from this author!!!
