Al parecer Dick tuvo un "primer amor" en el circo, mis alertas de Team Babs se prenden.

¿En un avión, Dick? ¿En serio? eres un personaje ficticio, por esta vez lo dejo pasar.

Al parecer Dick vuelve hacer el chico del circo, lo cual no me convence mucho, ya que no lo quiero lejos de Gotham. Ahora que el villano sabe su identidad las cosas se ponen muy complicadas.

Un 3/5 para "Dick saco de su lista hacerlo en el avión".

I never expected to like it this much.

The art is amazing, the plot is pretty amazing and the whole stuff that's happening. It's not like this is the best comic I've ever read but is good. Is consistent, logic, it leads you to the next one but is not too short or too fast. It's well paced.

I'm not a fan of New 52. But I'm glad that I decided to pick up this ones. A friend of mines told me it was good and that I would love it. Thanks Buddy, you were right!
