**The Grand History of the Realms** Brian R. James , Ed Greenwood

The definitive timeline of the **Forgotten Realms**(R) campaign.

*The Grand History of the Realms* chronicles the rich history of the **Forgotten Realms** campaign setting, presenting a detailed timeline accompanied by essays from Elminster of Shadowdale and other Realmslore experts. Although not a game supplement, it serves as a handy reference guide for players and Dungeon Masters seeking information on specific historical events. In addition, the book features an exclusive **Forgotten Realms** short story by best-selling author R.A. Salvatore and new revelations for Realmslore aficionados.

## **Jill says**

Fantasy World Fluff.

## **General H. Sassafras says**

I loved this book until the last few pages. Sure, I didn't read it all in one sitting, but I love to just take it and read about my favoritest of favorite settings in all of DnD.

Before 4e.

We don't talk about 4e.

## **Forgotten Realms Queen says**

A wonderful companion and guide to anyone who is in love with the Forgotten Realms world. Detailing all military, magical, and cultural occurrences of historical significances, I often use this book as a cross reference to gather more information on events within the Realms books.

## **Mary says**

This book was written by my wonderful son, what else can I say.....
