The Story of Jesus

Jane Werner Watson

The Story of Jesus Jane Werner Watson

A gentle look at Jesus' birth, childhood, teachings, crucifixion, and resurrection. Written in a simple, warm style that will captivate and inspire, and colorfully illustrated with seven new pages of artwork, it's a perfect introduction to Jesus for very young children.

Ericka says

My 6 year old loved this book. It made the life of Jesus easy enough to understand and wasn't overly preachy so to turn him off. All I can hope is that he selects it again for reading time.

Renee McCord says

This book depicts Jesus as a good man who did some miracles, but completely misses the gospel and his resurrection as the son of God sent to take our place and die for our sins.

David Thompson says

This picture book is a narrative of Jesus's life and the miracles that he performed. This is a great book to introduce a young child to Jesus's life story.

Teri says

My husband and I read this together to make sure we both agreed with the doctrine taught.(I had downloaded a Bible story app that had been recommended just the day before, but we both found we didn't like the wording that changes meaning and can be confusing to try and correct it). It passed muster and made its way into our daughter's Easter basket. I really like this summary of the life of Jesus Christ. Our daughter loves it! I have witnessed her flipping the pages and recounting the stories based on the beautiful illustrations.

Summer says

A biblically accurate telling of the life of Jesus with beautiful illustrations.

Robert Owens says

This is a short book that describes the life of Jesus written for children. His life is well-presented here. The text is written simply enough but explains his life well.

Reese says

Heretical, inasmuch as it neglects to mention the divinity of the Person of Jesus.

Rachel Pence says

The Story of Jesus by Jane Werner Watson is a wonderful picture book meant for young kids. This story is a easy to read and easy topic to understand. The story tells the journey Jesus took and all the miracles he was able to preform throughout the book. I think this is a good book for young children to start out with because it's a simple but interactive way for kids to understand all the amazing things going on in the book. The pictures are very colorful and detailed and will bring your eye in when looking at every page.
