Falling For A Savage : Soraya & Jadyn's Story Koya

"Love isn't worth the headache." is what Soraya Taylor feels after her boyfriend of five years does the unthinkable. Wanting to escape the life she felt was a lie, she moves to Atlanta ready to start her new beginning. Everything is better and she starts to feel like a new person until she meets him.

Jadyn Harris is the nigga to know and to be seen with. Growing up in Alabama and dealing with life has turned him into a savage. After getting the offer of a lifetime, he quickly packs up and heads to Atlanta, ready to cash out. With money on his agenda, running into Soraya was something he never counted on.

When they begin to fall into a web of feelings, things become hazy. With life hitting them at every turn, Soraya starts to realize that the life she's put herself in was one she wasn't prepared for. Trying to see the good in Jadyn, she begins to question if Falling for a Savage was worth all that comes with it?

No

I tried to read this book three different times on three different occasions. Just not my book. I got confused multiple times on who was talking. I might try a different book in the future.

Yayy JaRay!

I'm sooo glad they finally had their happy ending! This series was stressful for me, but I really enjoyed it. They were the true definition of can't get right! I hate it took a tragedy, but sometimes that's what's needed to make you open your eyes. Great job with the book!

YVETTE RIVERS says

AWESOME READ

What a great storyline this series help me on my toes excited and I couldn't wait to see what happens thanks that's the type of book that you want to pick up and get into one that has page turning drop knowing that love conquers all and hopefully that would happen and you know this book and I am so excited to repentance yours out freaking standing sister bring it on agile know Serei was my girl this was one Graycreek rest in peace Nema

A Decent Book.....??

Glad things turned out the way they did in the end, BUT I STILL felt Soraya was a Selfish female, regardless of things between her & Jayden. It ALWAYS had to be about her.....So ANNOYING!?? Overall, the Entire Series was cool and this book in particular, was Good!? I just don't like the way the men man-handles the females, when they can't get their point across or have disagreements.....Not feeling that, at all!????

Loving a Savage

I girl Soraya had gone thought do much and still managed to come out on top. I am glad that found there way back together. I hate that she had to lose her sister. I loved this series.

Wow

Omg this series was so awesome!! I hope there's gonna be a spin off with brokenhearted Nolan he deserves to see the rainbow at love. That tragedy had me crying so hard it gave me the chills remembering I experienced that pain as well. I need more about this crew.

From Savage to a Man

If I knew that was going to happen I probably would have read it.... lmao I wasn't expecting the events in this book to happen! It was love the series and loved Jadyn's growth! Soraya took forever to grow up and go with the flow.... poor Nolan feel bad for him.... work of loved to get an update about him in the epilogue ????? great story though

OMG Excellent read!!!!

This series had me on edge from the beginning to the every end. With Jay and Raya I never seen two people who love each other fight each other so hard But I'm so glad they finally got it together took they a\$\$ long enough. I laughed so much and shed a few tears too the storyline was so good. Can't help who you love and never fight it. All the characters was amazing. Great job

Loved it!!!

I loved this series. Koya why did you have to do that to Nema? That part really had me in my feelings. I didn't see that coming. I was happy that Soraya and Jadyn finally got it together. Loved it!!!!##

LOVED IT

THIS WAS SUCH A GREAT ENDING TO THIS SERIES I WAS SAD AT WHAT WENT DOWN WENT DOWN WITH NEMA AND I WOULD LOVE TO KNOW HOW IS LIFE WITH NOLAN AFTER WHAT HAPPENED WITH NEMA AND IF WITNESS THE WEDDING OF FAYA AND JADYN AND HER GIVING HIM TWINS LOL

Leontyne S Washington says

I Love it

Ciera Koya Mathis I finished up early this morning. I was upset by the turn of one event. But I understand it was needed to open the door for Raya to truly love. You did an excellent job of finishing this book and setting up a new series with Q and company. I'm ready to here the others story now. Good job♥?♥?♥?

Dionna Malone says

Finally

Koya came through and swept my emotions with her pen game in this finale! It was ups and downs and heartaches with even a death but through it all love conquered ! Unfortunately Nolan has to deal with that for life! Great job!

Wow is all I can say! I really have not been into street lit romances for a very long time so I was shocked to find myself reading this book. It was recommended by a reader-friend and I'm glad I took a chance on it. It's refreshing to take a break from the norm and mix things up. Well, Soraya and Jaydn def had things mixed up! Their attraction for each other could go from sweet to sour in minutes. I skipped some of the street aspects in just a few scenes but the drama that goes down in this book took me on an entertaining journey that I def needed at the moment. Book 1 ended on a cliffhanger and I will definatly be looking forward to reading book 2.

Gina Pierre-paul says

3 1/2 *

I just hated what Nolan did to Nema even though I didn't see that happening, I know it was a accident it was heartbreaking to read. Raya and Jay was a crazy rollercoaster. I gave this book this rating cause I caught myself at times skipping pages it didn't keep my attention at times . I was really interested in Q and her love interest I wonder if a book can come hint hint . I would definitely read that .

Part 3

Glad they got their happy ending. Mad how you did Nema you didn't have to do her like that. Winter and Mel I knew that was coming for them. Ready to see what you have next coming.
