## **New Life: The Complete Series** Bonnie Dee

For the first time paired in a boxed set, both New Life and New Year.

### **NEW LIFE**

Since the car accident that caused traumatic brain injury, Jason has fought to regain his memories and the ability to organize thoughts and control emotions. His promising future shattered, he works as a night janitor in an office building and clings to routine to make it through his days.

New lawyer Anna breaks down one evening after fumbling her first court case. Self-doubt brings her to tears in a deserted stairwell where Jason finds her and offers comforting words. From this unexpected meeting an unlikely romance begins.

A casual coffee date soon leads to a deeper connection and eventually a steamy affair. But are Jason and Anna's growing feelings for each other strong enough to overcome the social chasm that divides them and the very real issues of Jason's disability?

### **NEW YEAR**

Tension and family holidays go together like eggnog and candy canes.

When lawyer Anna brings her boyfriend Jason home for the holidays, it's a recipe for family drama. Her parents have high expectations for her fast-track future. And those don't include her hooking up with a kennel worker suffering the results of traumatic brain injury.

With a lousy memory and a shaky past, Jason knows he's no prize. But what he and Anna have together is priceless. An impulsive proposal on the way to her family's house seems the best way to prove his feelings for her are forever. Anna's hesitation to accept stops his heart. And when she seems willing to use him to get back at her manipulative mom, Jason wonders if he's made the mistake of his life.

Exposed to the light of critical eyes, Jason and Anna's fairy-tale romance threatens to crumble. The hurdles of their pasts may prove too much for this princess and her pauper. And this new year may ring in bright beginnings – or the end of all their hopes and dreams.

## From Reader Review New Life: The Complete Series for online ebook

SueBee★bring me an alpha!★ says

★★★★ 1/2! **New Life: The Complete Series, book 1-2 of 2. A poignant & beautiful story about Jason, broken & damaged after accident yet remarkably witty & memorable!**

*“That’s what I feel. Really pissed at myself for ruining my life, and... pissed at the world for going on like normal.”*

Now conveniently sold in BOX set: <https://goo.gl/mGLaFF>

It has been years since I read this duet. It has stayed with like no other. **Jason Reitmiller is truly unforgettable!**

*“I tried to walk less like a gimp. The last thing I wanted was her sympathy— again. What I really wanted was to kiss her. A lot. And to have sex. A whole lot.”*

I reviewed them individually:

Part 1: New Life [\[My review\]](#)

Part 2: New Year [\[My review\]](#)

*“The first thing you need to know about me is I’m not retarded. Or mentally handicapped I guess is the polite term these days. But whatever you call it, I’m not that. I have a mental disability, but I wasn’t born this way. It took extra stupidity for me to get this way— driving drunk, shooting through the windshield, landing on my noggin, and scrambling my brains permanently. I don’t babble and I don’t drool, except sometimes on my pillow when I’m sleeping, but everybody does that.”*

Yeah, no.

The premise was interesting, but the execution was extremely lacking. I didn't connect with either of the main characters, and I didn't feel there was any chemistry whatsoever between them. Everything remained on a surface level.

The blurb promises much but it doesn't deliver.

Ah, sweet read, Jason you absolute star, loved your story, your slow journey to recovery, discovering how you fit in a world when your life changed so dramatically after his car accident and Anna, young ambitious lawyer starting her life out but it is the right one? They meet and it's so lovely, both nervous, both apprehensive, it's slowly paced but it suits the story, loads of self doubt and overthinking, but it's not angsty or brooding, just takes it's time and sweeps you along. I felt Jason's ...more
