*Reader Advisory: This erotic Regency-set historical contains dubious consent.*

How hard can it be to seduce one's own wife?

Leopold Spencer is shocked to learn his shy and awkward wife is secretly headed to Chateau Follet, where the most wicked, wanton forms of debauchery take place.

Though he has not touched Trudie in over a year—not since their disastrous wedding night—he is not willing to be made a cuckold. Furious, he heads to Chateau Follet to retrieve her before she is in over her head.

But shortly after arriving, he discovers a unique—and provocative—opportunity to test the fidelity of his wife. Under guise, he decides what he wants to do is seduce his wife.

Commanding her submission, however, is not as easy as he expects...

### **A.M. says**

Leopold Spencer, fifth Baron Ramsey is horrified when he hears his friend say their wives have checked into the Chateau for at least two days... or nights.

He decides to go get his wife.

\*\*\*

Sighs... if this guy is supposed to be a dominant then he's pretty bad if his wife's wedding night was dismal (in his opinion), and he hasn't tried again in two years. No wonder she's checking into the Chateau.

He can't even remember what kissing her feels like. His WIFE.

I hate this MC. He disguises himself and finds her alone in the music room.

(view spoiler)

Hell NO.

1 star

---

### **Elaine says**

Enjoyable read. 4?

---

### **Lucy Roderick says**

#### **Wicked wantonness**

Five stars for a well written short tale of debauchery. Pleasure at the hands of a well know stranger. Looking for part ii.

---

### **Corinne says**

This was an entertaining story from the start, when at the races, Lord Spencer is surprised to learn from his bored friend that their wives will stop at Chateau Follet. I loved that scene, which convinced me to read this book. How can his neglected young wife be willing to accept some sexual attention from a anonymous stranger at the Chateau?! Payback is tough!

---

### **linda patton says**

#### **A book?**

I have to go back and check, did they say this is "first book free"? I don't think it was even a half book. Just when I got into reading it, it was the end. Very disappointed. Or are all the books in the series this short??

---

### **Soccergypsy says**

I found myself smirking throughout this read. I love "Trudie" and her views and thoughts are endearing and at the same time heart-wrenching and cannot wait to see what is revealed in future parts of this story.

---

### **Deb Diem says**

Submitting To The Baron by Em Brown is a very short read, perfect for those with limited reading time. Ms. Brown has delivered a well-written book. Leopold and Trudie's story is loaded with drama and sex. I enjoyed reading Submitting To The Baron until I discovered the cliff-hanger ending. Submitting To The Baron is book 7 of the Chateau Debauchery Series and is a cliff-hanger.

---

### **James says**

#### **Wish this wasn't a serial, I want it all now!**

Their second round of coupling was borderline force. The lady did/didn't want to do it because she wants to be faithful to her husband but she obviously wants to be pleased as well. I hope all future works are not serials or can consider a complete story in each book.

---

### **Diane Pope says**

I liked the story. the seduction was great. I got lost in the books. What a tease. I started with one, got sent to two, had to read three, then there was four and I was left hanging with five.

---

### **Victoria says**

It is a great book to read

---

### **Sharon Eikenberry-Deary says**

### **Chatua debauchary**

When you need to find yourself in a sexual sense. You go to chaute debaquary. You can find new pleasures and ways.

---

### **Lisa says**

#### **Unhappy marriage**

Lord Ramsey learns his wife is heading to a upscale brothel because she seeks pleasure. Take from his perspective. Forsaken a year of sex, Trudie is convinced by Leopold's cousin, Diana, to seek sexual gratification that neither women receive in their marriages. Pride & jealousy forces Leopold to find his wife and bring her home. But reflection cause Leo to teach his wife a lesson.

Of course the irony that the man gets the pleasure and the dutiful wife remains unsatisfied isn't lost in this story. She wants passion, satisfaction, adventure and fulfillment. Perhaps even love instead of ignored, neglected and dismissed.

Five chapters is just an appetizer to this story. It's obvious Trudie will unintentionally teach Leo a lesson - using his possessiveness & pride against at him. I do like how extreme actions reveal the truth in the end.

---

### **Tia says**

#### **Liked it**

Victorian hypocrisy at its best. His honor demands he keep all others from his wife. His newfound passion demands he claim his wife, even against her will. Cliffhanger.

---

### **karen says**

#### **Great book**

Loved the book was veey diffirent feom what am uses to read it eas just right eroticism. For a new reader
