## Un hombre de negocios Julian Fellowes

A spurned son plots his revenge.

*Julian Fellowes's Belgravia* is a story in 11 episodes published week by week in the tradition of Charles Dickens.

*Belgravia* is the story of a secret. A secret that unravels behind the porticoed doors of London's grandest postcode. The story behind the secret will be revealed in weekly bite-sized installments complete with twists and turns and cliff-hanger endings.

Set in the 1840s when the upper echelons of society began to rub shoulders with the emerging industrial nouveau riche, Belgravia is peopled by a rich cast of characters. But the story begins on the eve of the Battle of Waterloo in 1815. At the Duchess of Richmond's now legendary ball, one family's life will change forever...

### **Jessica says**

This is my favorite episode by far! I think it's because I'm starting to see a possible upswing for Ann and for Charles. I hope I'm not being to nieve here but I do think that the tides are changing for them.

Off to the next episode!!

### **Marilyn says**

Didn't like this one as much as the other ones so far. And didn't find it as captivating either.

Just seemed like a bunch of words, with no real need to get the story anywhere - but I guess that happens in all story's eventually.
