What It Means to Pray Through Mother Elizabeth Juanita Dabney

Although little is known about Elizabeth Dabneys youth, she often said she learned the value of prayer from her mother, who always kept a family altar in their home. Mother Dabney sat down and documented for the world, her detailed thoughts and experiences about really living a life devoted to prayer and what the resulting effects would be to personal ministry.

Finished reading this for missionary training institute!! Summaries are written and will be typed tonight for class tomorrow. This is a great read about Mother Dabney's call to prayer!! How she made a covenant with God and kept it. It has testimony after testimony of how God manifested himself in her life as well as those she prayed for and joined in the prayer ministry!! It's an easy read!!
