Tanika Lynch

Whore Tanika Lynch

Whoever said whoring wasn't easy, never lied! But somebody had to do it! Working the mean streets of Detroit was getting hard on young Kamone, with two small mouths to feed. Forced to get on the grind non-stop by her madam, Cookie, after being abandoned by her dopefiend, HIV infected mother, there's nothing Kamone won't do to get that paper – drugs, murder, sex, lies and videotapes! That is, until she is scandalously set up to be raped, drugged and left for dead. Just when Kamone thinks it's the end, she finds what every bad girl longs for – a bad boy with a heart, who literally picks her up out of the gutter. But will Lucci's thug passion be enough to satisfy Kamone's lustful habits? Or will she run back to the only life she knows?

Ta says

Worthless waste of time. Why she believes a movie could come from this garbage, I don't know. Michigan has much better talent than this trash about trash. Read Dirty Money, or The Flint Series. Ashley & Jaquavis are great and Treasure Hernandez will have you not only turning pages but reading books in a day. This book AWFUL!!

Ericka says

Omg . This book was THE STUFF ! I could not believe half of the stuff i was reading It is a touching story and made me very sad . I Really couldn't believe her mother would want her to do the stuff she did .

Kellee says

This was a really good book. It was a definite page turner and kept me on the edge of my seat.

Tynika says

It was interesting!! At one point it was too much going on but the message was good, God uses the worse of the worse & turn it into a masterpiece!!

Scott says

The ending of the book was superb as was the rest of the book. Tanika Lynch, the author, provided a sound, realistic plot. She injected realistic characters with depth. If you stay superficial and judgmental, then this book will disgust and upset you - you won't finish it. You've got to read with an open mind and an open heart, and you will be amazed at how strong these characters are, both the good ones and the bad ones. The book does an excellent job of using a sad yet uplifting story to provide a glimpse into both good and evil, angels and demons.

Edwina Morgan says

Love this book..I happen to be in Borders and picked it up and put it right back on the shelf however some lady told me that i should really buy it and that it was a awesome book..so i did and i must say this book is crazy couldn't put it down

Gretchen Anderson says

Wow! This book isn't what I imagined. With a title like *Whore* you'd think it would....well be about someone that sleeps around. The woman, or whore in question is actually a virgin. Begging the question, can a whore be a virgin? Well, they can certain be made to FEEL that way.....

Laura works at the coffee shop in the mall and technically lives with her mom although her mom bailed on her to run off with husband number five. This also means her mom isn't paying the bills so she has 30 days to move out which will mean that her college savings will be used and college itself postponed....again.

While working at the coffee shop she interacts frequently with an older man that gives her wonderful advice. He dies suddenly and his son comes to let her know. Taylor needs to make his father's dying wish a reality which is to make sure that Laura is taken care of. The only thing she will agree to is working for him.

Taylor is a rich, good-looking, powerful, businessman with no relationship status because he doesn't do relationships. The chemistry between Taylor and Laura is off the charts even though they both ignore it....well for a bit. It becomes too hard and Taylor makes a proposition - pleasure. No strings. Just pleasure. Being a 20 year old virgin and taking into account her attraction to him Laura agrees. However, she fails to tell him until the last minute that she's a virgin.

They have an amazing affair but from time to time she wonders what makes a whore. She's living for free in his building, has a job from him in which she gets paid a lot and all she has to do is "pleasure" her "boss" and be eye candy for his meetings. Does this make her a whore? If Taylor wanted a relationship would everything be better?

They both have trust issues and some abandonment issues but can they put their past behind them and make a go of an actual relationship instead of this "pleasure" thing?

I can't be what you need Laura. All I can offer you is pleasure. You should find some nice guy, fall in love, have a few kids, and be taken care of."

Rolling my eyes I walked toward him as he backed away. Did he know me at all? "I don't want those things. I want to go to college and become self-sufficient. But I also want you. And I don't care if you can't love me, what I need now is pleasure. I know you can give me that and it doesn't involve a commitment that would ruin my plans for the future."

He looked at me stunned and I finally stopped when our bodies were scant inches apart. "You told me to embrace my inner whore, Taylor. Well I'm offering myself to you without any holds barred. So I guess the real question is are you willing to give me what I need?"

All I can say is the devil made me do it because I reached out and grabbed him in my hand giving a little squeeze. "Can you be the man that makes me the whore he craves?"

"Fuck Laura." he wrapped his hand in my hair and pulled back but I refused to let go of his cock. "If I hurt you I'll never forgive myself." Lowering his lips he kissed me savagely and I knew for the moment I'd won. Could a virgin be a whore? I guess I was about to find out.

I really enjoyed this book. I loved the things that happen that make her think but the decisions she finally makes aren't what you would assume. Laura is a very complicated young woman. She has a big heart and a way with people that makes you enjoy her company but she has this inner lust that seems to always win when

Taylor is around. This book is EXPLOSIVE! HOT HOT HOT You will most likely not like Taylor at the beginning as he comes off a bit of an ass but he redeems himself and I know you will learn to like him just as much as I do.

This is a wonderfully written book with complex characters that are intense but also funny at times. Highly recommend!!

Shatana Davis says

First book my homegirl ever had me to read loved it. Been reading ever since.

Marie says

Wow!!! What can I say this book was so good and I mean good. It had me on the edge of my seat, the things Kamone had to go through was pure hell. I'm glad she finally got a real chance at a better future at the end of the story. This book was really hard to put down because it was so fastpaced, exciting, and had so many twists secrets and turns. I read this book in one day because I just couldn't put it down. It also made me sad too because there are so many many young women out there that has lived and gone through stuff like this. And it made me so angry that Kamone couldn't ever get a break in life, everyone she ever knew almost manipulated her. The author had a really good plot, and story had lots of details and characters were really well developed. This book is definitely not age appropriate for kids, and would recommend it to anyone over 18 and anyone of my friends.

Tee says

this was one of the best reads that i have read it was so good that i read it in one day i was just outdone with this author she was just so real that it was unbelievable. she has talent and needs to keep writing

Steve Duong says

I read this in 6th grade along with a plethora of Triple Crown Series books. Sure, skanky, ghetto, useless-trash could be words describing these books but I see it differently. I see it through rose colored spectacles. I resonate with the characters sometime (stressing: SOMETIME).

The stories and characters portrayed in these Triple Crown Series books are really understandably stupid. Sure the narration gives off the impression that, hey maybe they can be collective and make smart decisions, but they don't. Sometimes that piss me off, but most of the times, I can see they were aiming for realism in these characters (even if they are over the top with what the plot and all that) I know enough of these people to understand that. The smart is so suppressed in their own ego that sometimes, it's dismissed all together.....Sometimes, though, their lives have taken turns so far deep that picking oneself up from the floor is nearly impossible.....

As far as the actual storyline goes, it was very... fiction. Tanika Lynch definitely pushed her creative insight on prostitution through the roof with this one. Nothing comes off as "believable" I mean, She pushes her

pimp into a stove goddamn it! That's just... downright outrageous!

But that is oh so beyond the point.

SO.... it was a good book, I read this in one sitting. I did not like the cop aspect of the story, dirty cops? call me delusional, but that was definitely the lowest point in the story and also most unrealistic (again, in my euphoric nature, cops are not used pejoratively, i.e. they are not all assertively beating people, dealing back hand drugs, raping girls on the down low). Everything until introducing cops into the story was good. I did happen to like all the dirty skanky sex. It's what I come to expect when I pick up Triple Crown Series books, this one did not disappoint, actually. With all the sex in the story, I felt really, really sick to my stomach and also downright dirty reading this. Call me psycho but I think I liked that masochistic reader in me!

Lesia Divine says

This book did have me crying at the end it was as if she couldn't get a break always was something must worster for her around the corner But, love the book. Lots of drama from the beginning to the end had me flipping pages after pages.

Casey says

This book "WHORE" is about a 13 year old girl named Kamone who has two younger siblings that she had to raise because her mother was drug addicted and was being molested by different men . As Kamone continued to take care of her younger brother and sister why her mother was paying them no attention , Kamone decided to leave with the kids . A lady named Ms.cookie that Kamone has been knowing for a very long time has found a place for them to live . When Ms.cookie drops them off at the Man's house and tells them that their going to be safe there Kamone realize that something was up . As Kamone went inside the man House and put her bags down the man then tries the tell her that she will have to work for her to stay there . He made Kamone clean , wash , steal from stores and if she didn't do what was told to do then he would rap her .

One day Kamone had called Ms.cookie back to tell her that she wanted to come back and live with her because she didn't like it were she was , Ms.cookie then told her that she would have to go out and make money in order to live with her . Kamone then Agreed , when Kamone got back to the house Ms.cookie told her each theing that she would have to do . As Ms.cookie and other Prostitutes got Kamone together to go out that night Kamone was thinking if she wanted to do it or not knowing that it was the other way she was going to have money to raise her little brother and sister . On Kamone first day out on that night she was scared to get into cars knowing that she was going have to have sex with different men to get Ms.cookie back her money . As all the other Prostitutes seen that all the attention was on Kamone and every car was trying to stop and holla at Kamone they got jealous .

Later that night The prostitute name Tiffany saw that Kamone was stealing money from Ms.cookie so she went and told . Kamone begged her not to tell her anything so as the prostitute left out the house and went back to the street . Kamone decided to pack up the kids , and set the house on fire while Ms.cookie was asleep . Ms.cookie then woke up knowing that fire was almost too her face and saw KAMONE STEALING ALL HER MONEY , she then tried to get up but it was too late Ms.cookie was burnt to death as Kamone was running down the street and other prostitutes was on their way up too Ms.cookies Apartment when they got their they realize that Kamone had had killed her . They tried chasing Kamone and the kids down but

they were running too fast . As Kamone looked back she seen that they were getting closer and closer . she then seen the old church man riding down the street .

As Kamone and the kids jumped into the car and all the different Prostitutes tried opening and beating the window out the man drove faster , He asked Kamone what was going on and she told him that they were trying to make her have sex with people off the streets just to make money . Ever since they had been driving the man offered to take kamone and her little sisters to a church . Soon then kamone had got back in touch with a dude that she had met once after she had got beating and rapped buy a group of boys. Once they had got settled in at the house they boy had started to fall in love with her , but his brother didn't like it . As the boy was coming up with different ways to keep his brother away from her , so that he could get her kamone didn't like it . one day the dude had went out of town and had left the brother under control of his house , he knew that he could finally get too kamone and have sex with her . One day the boy came over with another female and forced kamone to do drugs just so that he could have sex with her . He also made kamone do sexual things with a female while he would record it . As the brother called and told him that he was back in town he rushed him and the other female out the house and left . Kamone sat and cried , and cried ! SHE DIDN'T know what to do . As her boyfriend walked through the door he realized she was back doing drugs and put her out while he kept the kids . She had been walking trying to find somewhere to go , and here comes his brother ! He forced her to get into the car , and when he took her to his crib she made him have sex once again .

Natalie says

I read this in one day. I couldn't put it down. The things that Kamone endured were horrendous and I wouldn't wish them on my worst enemy. It was such a good read with many surprises and twists. I loved it. I recommend it to anyone over the age of at least 17. This is my first read by Tanika, and she had a great plot. Strong 4!!

Ashley says

One of the best hands down

I found this book when I went to Michigans Huron Valley women's correctional (" The Valley") and a few women had the book, I asked what they were reading and told me a girl that was in there for murder had wrote it. Her name is Tanika Lynch, she was a wonderful person a great friend and amazing lady! All she had been through she still had the brains to keep her head up.

Well this was a urban genre and I didn't really connect with them but this book is for anyone who enjoys a fast-paced fun read. I hope one day the author will make more books like this one on the outside but UNTILL then stay strong girl!! ALOT of people are rooting for you and are behind you 100%
