A Dream So Dark L.L. McKinney

Still reeling from her recent battle (and grounded until she graduates), Alice must abandon her friends to complete her mission: find The Heart and prevent the Red Lady's rise. But the deeper she ventures into Wonderland, the more topsy-turvy everything becomes. It's not until she's at her wits end that she realizes—Wonderland is trying to save *her*.

There's a new player on the board; a poet capable of using Nightmares to not only influence the living but raise the dead. This Poet is looking to claim the Black Queen's power—and Alice's budding abilities—as their own.

Dreams have never been so dark in Wonderland, and if there is any hope of defeating this mystery poet's magic, Alice must confront the worst in herself, in the people she loves, and in the very nature of fear itself.

Ricky says

Well, of course this sequel's happening. Tell us something we don't know. *insert Sherlock Holmes responding how a pig's orgasm lasts up to thirty minutes*

But seriously. I'm more than ready to read Book 2 when it finally graces our shelves.

And with a cover so bloody beautiful, I'm dying to see it in person! You know I'll be chomping at the bit for an ARC of this one just like I got for *ABSB*!

And yes, I couldn't help but notice the heart on this one. Just like the first book had a spade...does that mean McKinney's got plans for four books, one for each suit? I hope so!

Katie (Bookwise) says

This better be the sequel to *A Blade So Black* . *hard stare*

Samantha Sophia says

Jesus,

Can you hear me? It's Sam again. No request is too small or too impossible. So I am praying for an advanced copy, thxkbye!
