Memory can be murder.

Nathan's fate is in Lenny's hands. Will he survive the vicious attack that left him broken in a hospital bed?

Esme, Lenny, and Jezebel race against time to get justice for Nathan and restore the balance between dark and light in Tree's Hollow.

This book is a cozy mystery with no swearing, graphic violence, or adult content. It is the third book in the Tree's Hollow Witches series. Brewing Boys is suitable for all ages.

It's funny, I just commented on this type of book yesterday on Facebook.

I did like this story, BUT, this is supposed to be a COZY!!! What is a cozy? A cozy is an amateur sleuth, humor, clean language and situations, and zany side characters. With maybe slow burn romance.

What was this story, Nine to ten of the 12 chapters are the romantic interest waking up from a coma, no memory, plans to marry his ex evil fiance, fighting with his ex fiance, who put him in the hospital to start with, Fighting demons, and cleansing a home of evil spirits. Dark thoughts, dark actions, and desperate to keep anything that resembled the past just to keep your sanity.

Ending a book with a possible happy-ever-after in the last three chapters, or even an actual one DOES NOT make a story a cozy.

having said that, this was a decent mystery with lots of suspense and drama. Well defined characters, and a solid plot line.

Robbie White says

a quick and clean book that tells the story of a new witch, a guy, and a small town. i started and finished the 1st 3 books in this series on a Sunday. not a dark story there is a small mystery to solve.

Skipping

It is frustrating reading this series! I like the story line but the skipping around is really frustrating. Why is Aunt Kate helping Lenny with the Nathan problem? Does she have magic? Why do they never talk about having magic? Why is Kate not helping Lenny with magic! The plot gets good Lenny sees her mom in the criminal ward hospital. The boom! New chapter! Seems like this in all the books so far, it is like 3 different teenagers wrote the book in their version and put it together! Why is her mom there?

Since I don't normally write reviews unless I have something specific to say, here's the break down of how I rate my books...

1 star... This book was bad, so bad I may have given up and skipped to the end. I will avoid this author like the plague in the future.

2 stars... This book was not very good, and I won't be reading any more from the author.

3 stars... This book was ok, but I won't go out of my way to read more, But if I find another book by the author for under a dollar I'd pick it up.

4 stars... I really enjoyed this book and will definitely be on the look out to pick up more from the series/author.

5 stars... I loved this book! It has earned a permanent home in my collection and I'll be picking up the rest of the series and other books from the author ASAP.

HEA

So this one has a happy ending. I did like a happy ending much better than a cliffhanger, and the characters are beginning to develop somewhat. In this one Emma is in for the fight of her life. Now. What will the next book be an out?

Lenny is tested

Continuing where book2 left off Lenny is tested both spiritually and in romance. It will take all her strength and her friends to win this battle. I'd like a book 4 please Sara Bourgeois.

Nice book

Liked the characters . Witches everywhere. I didn't really like the ending. Way too short. Quick read but missing something. Worth the read anyway. Loved the cat jas.
