Devils' Line Vol. 2

Ryo Hanada

Devils' Line Vol. 2 Ryo Hanada

Anzai, suffering badly after a run-in with a sniper, is rescued at the last minute by a mysterious blond devil who gives him enough human blood to heal his wounds. Embarrassed by the way he lost control after tasting human blood, Anzai hides himself away from everyone, especially Tsukasa, until an incident unfolds live on broadcast TV which shines a glaring light on the devils who walk among the populace of Japan...

Rosario Rolon says

The way they left off in volume 1 wasn't enough for me .
I had to go to the library and see if they had the rest of the series because ,that's just how hooked I was .
They manage to set the story still good and seeing how it's humans vs Devils .
Devils that are in the society.
The organization that's kills the Devils big one up.
The new characters just gotta love them.

Ashley says

It's fun but nothing groundbreaking. The main character is useless, and I wish she was more fleshed out/wasn't a Bella repeat.

Eden says

After a bad run-in with a sniper, Anzai is rescued by a mysterious blonde Half-Devil like himself.

The story is becoming more interesting, especially concerning Anzai's origins. I hope as the series goes on Tsukasa is developed more. And I really like Hans Lee. Looking forward to seeing his character more. He is strange but interesting. A good addition to the story and I'd like to learn more about him as well.

Ruth says

The introduction of too many characters, further inconsistency in the art, and turning to rather tired plot devices has really dampened my initial enthusiasm for Devil's Line.

Amanda Allen says

This story is amazing!

Beth says

[heroine decides to throw herself under the bus and offer her blood to a vampire she cares about (hide

spoiler)]

Kaitlynne Freitas says

This was such a improvement from the first volume. We got introduced to so many new characters and things really picked up. I think my only problem with this series is Tsukasa Taira, our main girl character, she is just dull. She reminds me so much of Bella Thorn From Twilight. Her personality and life (at this point) revolve around Anzai. I was hoping after the first volume we could possibly see more personality from her. I love all the new characters and the old ones we got to learn more about. I find this world getting more and more interesting. I just had to rate it 3 stars because of Tsukasa Taira.

Vanessa Ponce says

Excellent

This is my second time reading Devils Line waiting until next volume is ready. Is like I can't stop reading, its so good. I almost can say that I can feel what they are feeling, their frustration, their love, everything about this is really good.

Emily Reed says

oops I'm addicted lol

Chloe says

I'm so addicted to this series, the introduction of new charactrts and plot points in this volume were amazing. I had to finish it in one sitting, it was impossible to walk away from this volume!

CJ - It's only a Paper Moon says

The art is still not that great but the story is becoming more interesting, I'm down to see where this story goes.

Nek0 Neha (BiblioNyan) says

4.25 stabbings outta 5!

B. Jean says

As I suspected, the drawings are starting to improve. I didn't think I would be that interested in this series, but I am... and I'm mourning the loss of my money. Why is manga so expensive?! And yes, you should absolutely be buying this to support the mangaka and future translations.

Mary says

3.5

Rebecca Sparks says

*Comments, not a comprehensive review.

Hans Lee easily shot up to being my favorite character; quirky, knowledgeable, friendly and sort of happy-go-lucky. It makes a nice contrast to the angsty and lovelorn Anzai .
