## **Impetuous** Candace Camp

In the late 1600s Black Maggie Verrere was engaged to marry Sir Edric Neville in an effort to unite their two families. Instead she eloped to America with another man, and the famed Spanish dowry vanished along with her. The two families - the Verreres and the Nevilles - have hated one another ever since.

Now, 150 years later, another Verrere woman seeks the dowry. Cassandra Verrere has no hope of providing a future for her younger siblings, or for herself, unless she recovers the treasure. Unfortunately her path to its attainment requires the help of a Neville - the disarming Sir Philip. With an ancient feud marking their lineage, Cassandra cannot imagine trusting him. But the true challenge may be in trusting her heart not to fall for him.

### **Bruna says**

I love Candace Camp, she is one of my favorites authors, one that never disappoints! This book was no different, I liked it very much, the characters were charming and intelligent, the plot great and the dialogue between Cassandra and Phillip witty and interesting. It's not 5 stars just because I was frequently annoyed with Cassandra thinking Philip was the villain repeatedly, that could have been resolved much sooner in the story... But a great reading nevertheless.

### **Patricia says**

Loved it! I couldn't put it down. It has everything I love in a book. Romance, mystery, & great characters. Looking forward to reading Candace Camp again.

---

### **Ruth says**

ok but didn't gel for me.

---

### **Amanda Svensson says**

It was okay, got a bit slow and almost boring towards the end though. But Candace Camp always delivers!

---

### **WhiskeyintheJar/Kyraryker says**

Well, rarely do I feel the need to fan myself during the prologue. Interesting (?) titillating (?) start to the book.

Seldom do I read such remarkable dialogue between the two main characters! At the beginning you can tell Philip doesn't quite know what to make of Cassandra. Their conversations are witty, insightful, and so incredibly enjoyable!

Searching for a lost hidden treasure certainly adds a fun spark to the story but I just wish they would have

found the letters that contained the map sooner; too many pages dedicated to dusty attic scenes. Ok to much slowness in general to finding the treasure. I get the author wants to focus more on Philip and Cassandra's relationship, but come on find the damn "Queen's book" in the library already! I'm also getting a little annoyed with how Cassandra always thinks the worst of Philip. She thinks he is the one who kidnapped her and is obsessed with the thought that he wants the treasure all to himself. The guy is supposedly uber rich and she slept with him yet she rather think of him as the villain instead of David Miller (supposedly a distant relative and the guy who brought the diaries containing the knowledge of the treasure to England). I don't know, I just think most people would automatically think of David as the bad guy. It seems like the author is using a pretty flimsy excuse to keep her two leads in animosity.

This book had me warring with myself. I loved the dialogue between Cassandra and Phillip and for the most part how Ms. Camp wrote her characters but was frequently annoyed with the progression of the story in regards to them searching for the treasure and Cassandra thinking Philip was the villain repeatedly. I think I'm just disappointed because there was so much potential for this book but the two things I found annoying about it nagged at me enough to stop me from fully enjoy the story. Still this is a pretty quick read and if you love witty dialogue I would recommend you give this book a go.

B-

### **Mesha says**

Whenever I'm feeling under the weather and spending many hours abed, Camp is my go to for my guilty pleasure of a happy ending romance novel. This one in particular was a lot of fun.

---

### **Kathrina says**

Re-read this book.

---

### **Lynda says**

Sir Philip Nevil and Cassandra's story and a family treasure that has been missing for two hundred years. a dowrey.

---

### **Becca says**

This book had one hell of a sexy beginning, but then started to fall apart. There is a treasure hunt mystery, which I was excited about, but the characters were awful. The heroine always believed the hero was the problem. Even though she is supposed to be intelligent, she completely ignored evidence to retain her anger. It got tiresome. The hero was a bit angry all the time and I didn't understand why he stayed with the hero.

I did not finish this one.

There are other good Candace Camp books out there with more relatable characters.

3.5 stars

---

**Annabelle Morehouse says**

Loved this book! Gotta love some old school regency sometimes.

---

**AlbertaJenn says**

Classic Candace Camp. Great story, and a good mystery. Really enjoyed.
