Morgen, having dozed off at work, wakes up to an incredibly handsome man with a frown on his face standing in front of her. He says he has an appointment with Morgen's boss, but her boss, Derek, isn't in the office. When she tries to explain the situation, she learns that the man in front of her is CEO Conall O'Brian. She's mortified that he caught her napping and terrified that he'll fire her. So imagine her shock when he decides to make her his secretary!
