Jewel of Atlantis

Gena Showalter

Jewel of Atlantis Gena Showalter

All Atlantis seeks the Jewel of Dunamis, which legend claims can overcome any enemy. Grayson James, human agent of the ultra-secret Otherworld Bureau of Investigation, has orders to keep it from the wrong hands -- or destroy it. What he doesn't know is that Jewel is a woman, not a stone! But once he meets this precious gem, destroying her is the last thing on his mind . . .

Jewel, part goddess, part prophet, is a pawn in Atlantis's constant power struggles. She needs Gray's help to win freedom and uncover the secrets of her mysterious origins. Gray needs her wisdom to navigate monster-ridden Atlantis. But need blossoms into passionate love as they fight demons, dragons, vampires-and a prophecy that says the bond between them could destroy them both.

Danielle The Book Huntress (Back to the Books) says

I'd give this 4.5 stars if I could. Although it took me a while to finish this book because of outside factors, I thought it was pretty awesome. My one complaint is I think the ending was a bit rushed. This might be the hottest book that I have read by GS so far. The love scenes were pretty steamy. One thing I liked is that Gray has a very large POV in this story. It's really cool to see a romance from the guy's perspective. And I feel that his viewpoint read pretty authentic for a guy. He did and said, and thought exactly the way I would imagine a man would think. Now I have never walked in a man's shoes, so I might be disputed on this. Nevertheless it felt real to me.

As typical for GS, there was an aura of sweetness and good-naturedness to this story. It is difficult to describe, but in the books I've read by Ms. Showalter with the exception of *Awaken Me Darkly* there seems to be this upbeat tone. Now that doesn't mean that bad things don't happen and people don't die in this book or her others. But you get the impression that in the end, everything will work out and good will prevail. I must say I like that about her books. Life can seem pretty dark and hopeless. It's nice to read a book with an overall tone of optimism. I love my angsty, dark romances, but it's also nice to read some that are on the upbeat side as well.

The mythology in this story is pretty interesting. It borrows from Greek myths, but there are some extra things added. I have never thought of vampires as being a large aspect of the Greek mythology, and I believe the Formorians are from ancient Celtic mythology. Thus I feel that there is a potpourri of folklore used to develop Showalter's Atlantis universe. As always, I am a folklore/mythology geek, so I enjoyed seeing the mythological creatures that populated this story.

It was also nice to revisit Darius and his bride Grace, and see the intriguing Layel (can't wait to read his story). Those demons are just gross and don't sound the least bit attractive to me.

I really did like Jewel. She was a sweet person but also formidable in her own way. She had been in love with Gray from afar for many years, seeing him in visions in her mind. I thought it was sad that she had seen the profusion of women he'd been with in her mind in excruciating detail, but she didn't let that bother her, but took her opportunity to be with him the capacity available to her. I appreciated her love for others, and how she often tried to sacrifice her well-being to help others. She had a rough existence, but in a way that is rather different from other romance heroines.

I must say that this is a great book to read if you are a fan of the paranormal genre. It's not dark and intense in the way that a lot of the popular series right now are. But it's very good and fun, but has depth that will fill your hours until the last word has been read.

Romanticamente Fantasy says

«Colui o colei che mi possiede in un dato momento porta davanti a me i suoi concittadini e i suoi nemici e mi ordina di indicare i traditori. La prima volta che mi sono rifiutata di farlo, ho dovuto assistere mentre un uomo veniva ucciso in modo atroce. Ho cercato di mentire, di proteggere la gente, ma non posso: la menzogna mi devasta per una ragione che non capisco e le parole si congelano nella mia gola. A volte ho

dovuto ammettere cose che non volevo confessare.»

«Mi dispiace.» Gray allungò una mano verso di lei; avrebbe voluto trovare parole più forti e convincenti per esprimerle la propria solidarietà.

«Ho desiderato tante volte che punissero me, invece degli altri. Avrei potuto sopportarlo, ma nessuno voleva fare del male a colei che conosceva le risposte desiderate.»

Ancora una volta ci ritroviamo nella mitica Atlantide creata da Gena Showalter. Aver fermato gli uomini che si erano introdotti attraverso il portale in “Il Guardiano di Atlantide”, purtroppo non è bastato. L’uomo a capo dell’operazione si è lasciato dietro una traccia molto pericolosa. Un libro scritto nell’antichità, “Il Ra-Dracus”, che racconta la creazione di Atlantide e le origini di ogni razza, di cui vengono svelate sia le caratteristiche che i punti deboli. Non solo, il libro accenna anche all’esistenza del mitico Gioiello di Dunamis.

“Una gemma così preziosa e potente da poter essere usata per predire il futuro, indicare chi mente e chi dice la verità. Chi lo possiede può distruggere qualsiasi nemico e sconfiggere qualsiasi esercito”

Ora il libro si trova in mano all’OBI, Otherworld Bureau of Investigation, specializzato in missioni su altri mondi, che ha mandato uno dei suoi migliori agenti a recuperare il gioiello o, in caso ciò sia impossibile, a distruggerlo.

Grayson James, l’agente incaricato, ha appena scoperto che la facile missione che i suoi capi gli hanno ventilato, è ben lontana dall’essere tale. Non appena giunto su Atlantide, infatti, è stato braccato da un Drago, un Vampiro e un demone; dopo due giorni è riuscito a liberarsi dei primi due, uccidendoli, ma il demone sta per raggiungerlo.

Grayson è a corto di idee e in un territorio che non conosce. Ma ecco che nella sua mente risuona la voce sensuale di una donna che, con precise indicazioni, riesce a salvarlo. La ragazza dice di non avere un nome proprio e che, se vuole, può chiamarla “Jewel”.

È disposta ad aiutarlo a trovare il mitico gioiello, a patto che lui la liberi dalla sua prigionia. Intrigato da quella voce suadente, desideroso di vedere di persona la giovane e di ricompensarla per l’aiuto, Grayson accetta di farsi guidare fino a lei. Ed è così che si ritrova di fronte al palazzo di Marina, la Regina dei demoni, dove assiste a una strana cerimonia che vede come protagonista la giovane che è venuto a salvare. Riuscire a liberarla, anche se dopo un’aspra lotta, non è poi così difficile, anche perché Jewel si rivela piena di risorse. Ma da quel momento in poi, per i due giovani ci sarà solo una fuga infinita: sono infatti braccati da tutte le razze di Atlantide, che cercano di catturare la ragazza, mentre per Grayson, che è stato morso da un vampiro e ferito da un demone, iniziano straordinari cambiamenti.

Grayson nel suo lavoro ha visto tante cose strane e quando una voce misteriosa irrompe nella sua mente mettendolo in guardia sulle sabbie mobili che ha di fronte, in un primo momento crede di essere diventato matto; poi, quando la stessa voce gli salva la vita e lo porta finalmente fuori dalla foresta che stava tentando di attraversare, non può più aver dubbi. La curiosità e la gratitudine lo porteranno a tentare di salvare questa ragazza piena di spirito, che a tratti sembra così triste. E di motivi per essere triste, Jewel ne ha davvero tanti: fin da bambina le sue straordinarie qualità ne hanno fatto un’ambita preda. Figlia di una sirena e di un padre che non ha mai conosciuto, dopo la morte della madre per mano di umani che hanno valicato il portale, la sua vita non è stata altro che un passaggio da una prigionia a un’altra. Tanti sono infatti coloro che l’hanno chiamata schiava e ne hanno sfruttato le doti. Costretta a indicare i nemici del padrone di turno, incapace di mentire per non cadere in preda a dolori atroci, ha visto morire moltissime persone a causa dei segreti che ha svelato.

E ogni volta che ha tentato di fuggire o di rifiutarsi, i suoi carcerieri, ben consapevoli del suo buon cuore, hanno punito degli innocenti. Anche perché una profezia dice che se lei venisse uccisa morirebbero anche tutte le razze.

Tenuta sempre in lussuosissime prigioni, in solitudine, è riuscita ugualmente a mantenere il suo spirito e la gioia di vivere e questo grazie a Grayson, che lei ha visto nelle sue visioni fin da bambina, seguendone la crescita, guardandolo interagire con le tante ragazze che hanno fatto parte della sua vita, e desiderando con tutte le sue forze di poter essere al loro posto.

La loro attrazione è forte, ma un segreto custodito da Jewel potrebbe compromettere tutto; Marina è sempre sulle loro tracce con un nuovo alleato, il re dei vampiri, Layel, che abbiamo già conosciuto e che a ogni incontro si rivela sempre più un personaggio complesso e affascinante, e molto meno cattivo di quanto voglia far credere.

C'è molta azione in questo libro: incontriamo molte delle razze di Atlantide e facciamo la conoscenza dei Ninfi, affascinanti creature che saranno i protagonisti del prossimo capitolo della serie. L'atmosfera fra i due protagonisti è sempre carica di desiderio e sensualità; la scrittura è scorrevole e rende la lettura molto piacevole. Tutti i personaggi sono ben delineati, e per quanto riguarda il protagonista una piccola curiosità: se siete amanti dell'autrice, il personaggio di Grayson vi sembrerà stranamente familiare. Avrete come la sensazione di averlo già incontrato e, infatti, andando avanti nella lettura, troverete sempre più particolari che stuzzicheranno la vostra memoria, in particolare il nome di Jorlan, suo cognato, il marito della sorella Katie. Questo perché lei è la protagonista di "Il guerriero di pietra", altro libro della Showalter, ed è anche il motivo per cui Grayson ha scoperto l'esistenza di altri mondi che usano la magia e ha lasciato la polizia per diventare un agente dell'OBI, unico fra i suoi fratelli a sapere che Jorlan viene da un altro mondo. E detto questo non posso che consigliarvi di farvi un giretto nelle foreste di Atlantide in compagnia delle sue straordinarie creature per passare qualche ora in completo relax. Ma un appunto lo devo fare: per gran parte del libro Grayson è ignaro della vera identità di Jewel, e così sarebbe stato anche il lettore; e allora perché una sinossi così spoilerosa?

Zeek says

Well this is when the author was on her A game. Classic Paranormal Romance (PNR) full of gods and demons and mythical creatures... with a dash of military romance because of the hero. :)

Grayson James is part of the Otherworld Bureau of Investigation (OBI)- a black ops group so secret, few know about it... because few know about the creatures the OBI investigates. Sent to Atlantis, (a world hidden in the depth of the oceans), to recover a Jewel rumored to be so powerful, armies fall before it, he instead finds himself mired in its world of ugly evil. Well mostly evil. The creature that contacted him and is communicating with him through mind reading is anything but evil and ugly by the sound of her sexy voice. But she seems to be the one to lead him the Jewel so his mission has changed a bit to include rescuing her.

And he does. But not before she rescues him- in more ways than one.

Ah yes, I miss the old Gena Showalter.

Carolyn F. says

Firstly, Gray is a pale blonde, what in the hell is Johnny Knoxville doing on the front of the book? Gray is there to steal a jewel that can figure out if people are lying and tell the future. It ends up the jewel is Jewel, who has had a psychic link to him all of his life. Now he has to try to save her from the demons that have kidnapped her and figure out what he is going to do with her once she's safe. Cute book, stale jokes. I think this is only the second book I've read by the author. I bought about 5 more so I'm going to work my way through them, but they're not high on my To Be Read shelf. 3 stars

Barbara ★ says

I liked this book better than Heart of the Dragon (book 1). I think this is because book 1 of a series always has to set the stage (so to speak) and gets bogged down in extraneous details.

The mystery of Atlantis has always fascinated me and even though this series puts a different spin on the legend, I still loved it and read it in only 3 hours.

Penny says

Much better than the first book.

It is a relief really after the previous let down. Now we can see for sure that this series have potential.

However I must confess that I am honestly not sure if my rating is more due to the actual book or that I just tend to be predisposed to like Gena Showater's work, I am just not sure that I am being completely objective about it, sorry.

valee says

While I enjoyed this book I didn't find it as interesting as the first one. It had some amazing parts where I found myself sighing like a 15-year old and then some others where I thought: ARE YOU SERIOUS?

IMHO the problem with this installment was that it lacked everything I loved about book one. I adored the Dragon warriors, for me they are the most interesting species because I have never read about them before, while I got a bit bored of gods, vampires and demons. I was exhilarated about reading something new, which I found in the first one but totally lost in this 2nd book. While I was completely lost into the plot of the first book I just couldn't believe this one. We see a heroine which is not sure what she really is but she understands she is very powerful and needed by other species so she runs from them or tries to escape once she gets captivated. Then the hero comes and rescue her. So far so good, I was enjoying it big time, but then everything just got too surreal.

the heroine even is able to kill 4 demons by herself only using a stick and her fighting skills which were

thought by the hero in a single day. I don't know, many things just didn't make sense at all.

Still it was a sweet romance and I really liked the hero and the heroine's personalities. Moreover we get to learn a lot about all the other species and spend some time with the Dragons. While I wanna read about the king of each species I didn't care at all about Jewel (the heroine). And I didn't like the ending at all, it was just lame, one of those that feel the author had no idea what to do and solves everything magically in a paragraph.

I still like this series and wanna read more. I just hope next book is more like the first one.

Annalisa says

Anche il secondo capitolo della serie ambientata ad Atlantide mi è piaciuto molto; forse leggermente meno del primo libro, ma solo per il fatto che Gray per il novanta per cento del libro non fa che pensare al sesso... ha persino delle convensarzioni con il "Generale Felice" *sto alzando gli occhi al cielo al momento* Jewel è stata davvero sfortunata per tutta la sua vita, ma poi finalmente incontra Gray e dopo averne passate di cotte e di crude anche lei trova il lieto fine... anche se ha dovuto attendere letteralmente le ultime due pagine del libro per questo! Comunque il personaggio più affascinante di tutti rimane il re dei vampiri Layle: più si va avanti con la serie più si scopre su di lui e non vedo l'ora di scoprire tutto!

Laura says

Y justo cuando perdía la fe. Luego de leer el primer libro, no la mejor experiencia de mi vida, sentí que le debía a Gena la oportunidad de volver a intentarlo, puesto que he amado LoTU, y que bien que se la di. Ésta segunda entrega resultó muchísimo más ligera y sumamente más entretenida que la anterior. Los personajes se desarrollan mucho mejor y el conflicto de los protagonistas que sí deben o no estar juntos está tan bien justificado que no resulta tonto y pobre. Gray es un caballero, un guerrero, un soldado, un amante y una persona graciosa; Jewel es inteligente, intensa, dispuesta, fuerte. Sí, definitivamente la historia ha mejorado mucho con éste libro. Veré como me va con el tercero.

Rebecca says

(Atlantis,#2) I love Grayson James! Gray is an OBI agent sent to Atlantis to obtain the Jewel of Dunamis. I enjoyed learning more about the different creatures of Atlantis. This book has nonstop action, adventure, and romance from beginning to end.

Evelyn Young says

Once again, I would recommend this book if you enjoy paranormal romance; particularly a bit of sultry,

soppy romance. I really love the world of Atlantis and would rate the world a 4/5 but ultimately the romance was the focus, and I a bit mediocre(?) for me. Mind you, I don't usually read romance and really have to be in the mood - soooo it makes me a little sad that this is more a romance book than a fantasy because it would be sickkkkk. Overall, a nice and easy read though. I'm gonna leave the rest of the Atlantis books for a while, but keen to get back to them when I'm in the right mood!

Carmen says

SPOILERS NOT HIDDEN IN THIS REVIEW

WHY VAMPIRES SUCK AS ROMANTIC LEADS BY CARMEN

- 1.) They're cold. And dead. This is not sexy.
- 2.) I don't want to hurt my lover, and I don't want to be hurt by my lover. Pain during sex is not appealing (to me).
- 3.) Someone kissing your neck = yum.
Someone nibbling/biting your neck = yum.
Getting hickeys = yum.
Someone taking their razor-sharp teeth and plunging them into your carotid artery = yuck.
Your blood gushing out into someone's mouth = yuck.
The taste of blood = yuck.
The temperature of blood = yuck.
How blood feels in your stomach = nauseating. Even people who enjoy the taste of blood can only handle a lick or two. It's not ingested easily or well.
- 4.) Also, opening your veins to someone's wet, filthy, bacteria-infested mouth is a great way to spread disease. Both the "donor" and the "recipient" are just asking for sickness. Bloodborne pathogens, people. BLOODBORNE PATHOGENS!!!

I understand the concept. Scrunching = arousal. Or, if you're not a Buffy fan, it goes: unsheathing your fangs = getting an erection. Just listen to this:

She felt his teeth elongating, readying for insertion.

Uh-huh. I'm sure. *rolls eyes.

Then, Showalter tries to tell us that Jewel isn't afraid or disgusted by Gray wanting to drink her blood. Instead, it makes her feel special and cherished.

She'd never been bitten before, but she wanted to share a deeper part of herself with Gray, wanted to be the first and only woman he drank from. Perhaps it would link them, far stronger than they were already linked.

See? Vampire feeding = sex. Also, this is a way of Showalter giving her womanizing hero a form of virginity that only the heroine is allowed to "deflower." In the last book, she made the hero into someone who'd never "allowed" a lover to give him a blowjob, so that he could get his first one from the heroine - and here she's doing the same with blood-drinking.

Except not really, because Gray feeds on a demon, attacking him, draining him dry, and killing him. Are we supposed to believe he's now had "sex" or "blood-sex" or "feeding-sex" or whatever with the demon he

killed? Or somehow blood-feeding is only sexual if he does it with a woman? Or only a human woman? Or only if it's a woman he's interested or what? I'm really confused here.

Why on earth am I talking about a vampire 'hero' if this is allegedly about a human government agent falling in love with the magical Jewel of Atlantis? Well. Remember in my previous review when I said that Showalter's Atlantis is populated by nymphs, vampires, weredragons, and Formorians? How do you think you can write a romantic hero who is supposed to be tough and able to protect the heroine if he's a wimpy human? That's right. Have him fight off some vampires, demons and Formorians, but make sure he's wounded and bitten by them. Then, voila - a human/vampire/demon/Formorian mix that allows the hero to stay "hot" but instantly become a badass who flies, drinks blood, can see in the dark, and whose eyes glow red when angry. I thought this was a cop-out and too easy.

Also, this book is ridiculous. Now, I understand that this is a romance novel, and I've said it before: I expect romance novels to be silly and sexist. I grade them on an extreme curve (and as a consequence they never get more than 3 stars from me). But even on my lenient scale this book was ridiculous.

Jewel (Gray, the hero, names her) is a slave. She can predict the future and she's unable to lie - which makes her priceless. Anyone who owns her has an amazing advantage over their enemies. She's gorgeous. Gorgeous.

She's a virgin. WTF? I can't believe this. As a slave, and a really really good-looking one at that, even if I believed she'd never been in love or had consensual sex, it's impossible to believe none of her former owners (and she's had a lot) took a sexual interest in her. Showalter doesn't even TRY to explain this. She mentions that people only see her as an object, a slave, an "it" and not as a person - but she's a gorgeous 20-something woman with no rights and no means of self-defense. Showalter could have at least put in the my-powers-will-disappear-if-I-have-sex trope (and I HATE this trope, but at least it's an excuse), but there's nothing.

THEN, if that wasn't hard enough to believe, we're also supposed to believe that she's not only a virgin, but a virgin whose never masturbated in her life. Again, no explanation is given, but it practically made me scream in anger when I had to read the "she discovers her clitoris for the first time" scene. Ridiculous. Absolutely ridiculous. **I'm willing to believe in a hidden alternate dimension of Atlantis populated with the bastard offspring of a dead god, but I'm not willing to believe that Jewel is a 20-something virgin who doesn't even realize that touching herself "down there" feels good.** ESPECIALLY since she's spied on Gray and his mind since she was a child up to the present, which included watching him have sex with A LOT of women, women who she specifically told Gray that she'd "imagined herself in the place of," but yet never touched herself? Yeah, right.

Another completely ridiculous part of the plot is all the mind-reading. I don't like mind-reading in stories, but this is even worse because it's all over the place. When Gray goes into Atlantis, Jewel can easily read his mind. Later, she can only read it some of the time. Then, she can travel INTO his mind and they can interact there, as if it's a room or something. THEN, he develops mind-reading powers for a while. It's a huge merry-go-round of who-can-read-whose-mind that was dizzying, made absolutely no sense, followed no logic, and appeared and disappeared at the whim of the author.

Then there's some kind of weird "Jewel is insecure" subplot where she gets really worried because every time that Gray has sex with her he fucks her hard and fast, and when she watched him have sex with all those women in the past (this still creeps me out, ugh, so creeped out) he really took his time and savored them and "made love" to them. This makes her doubt that she's really in love with him, but when she finally asks him about it, he's just like "Oh, you silly innocent woman! Don't you know that this means I want you more than

anyone I've ever wanted. You just drive me so insane it's impossible to take my time with you!" And she's like: "Oh, that's a relief. Carry on, then." o.O So weird.

Lastly, and this is a major spoiler so if you care, skip this paragraph: At the end, Jewel turns out to be a direct descendent of the gods and a mixture of every single type of blood (human/weredragon/vampire/centaur/minotaur/etc. etc. etc.). Major cop-out. Super-special snowflake to the max!!!!

SO. Now that I've thoroughly eviscerated this book, why is it getting 2 stars and not one? Because Gena Showalter is a good author. Her writing is not bad or hard to read, she makes likeable characters, she always makes me laugh a bit (nothing as funny as her first two novels, though), she presents a creative creature-filled world, and the sex is both good and consensual. Trust me, there are a LOT of worse romance novels than this one.

Tl;dr: Fluffy, beyond ridiculous, good consensual sex, nonsensical plot even for a romance novel. Very Mary-Sue and Gary-Stu, even beyond usual romance parameters. Not recommended. 2 real stars, 3 romance stars.

I own this in Spanish.

P.S. Also, Jewel fights and kills four demons after a 1-hour session of self-defense lessons with Gray. o.O And basically the self-defense lesson was an excuse for him to grope her.

P.P.S. Gray is one of the most stubborn, egotistical, irrational male leads I've ever read in my entire life. He often purposefully ignores Jewel and her advice even though he KNOWS she's psychic because he has to be the "big man." It's beyond stupid.

P.P.P.S. There's a whole scene in which Gray takes Jewel to a bar and teaches her to dirty dance. I KNOW THAT MOVIE IS POPULAR, BUT COME ON. It was strange.

Lover of Romance says

Jewel of Atlantis begins with Grayson James, a agent, a human who is looking for the Jewel of Dunamis, which legend has claimed is more powerful than anything and can provide the means to destroy any enemy, however there is one catch. Grayson must find the Jewel which is in Atlantis but what Grayson assumed is the the Jewel is a stone. When he is close to finding the Jewel, he starts to hear a voice in his head, a woman's voice that stirs up desire within him, even though he is suspicious and doubts that she is real, until he saves her from the Queen of Demons who has held her captive. But Grayson doesn't realize until later, that the Jewel of Dunamis is the same woman whom he has saved, and whom has assisted him in navigating his way through the dangers ridden throughout Atlantis. But throughout their journey, they start to find a passion in one another, and a willingness to fight for a future together, no matter the cost or the dangers that could destroy all that they have built in one another.

I read this book a couple of weeks ago, but I finally remembered that I forgotten to write the review for this book. From what I recall, Jewel of Atlantis is the second in the Atlantis series. Even though I haven't read this series in order, I have thoroughly enjoyed reading it so far. Jewel of Atlantis is unique, and we get to see appearances of The Dragon King Darius and his bride Grace who is also human. However throughout most

of the book, we see a intense plot, where Grayson and Jewel are on the run from a variety of dangers throughout Atlantis. I also loved these two main characters as well. Jewel has been imprisoned because of her certain gifts, but knows that Grayson can save her, but as she helps guide him throughout the maze of Atlantis with all of its murky dangers, and find a love they never expected to find. This was a magical and satisfying adventure and passion, that takes you beneath the sea and into the mysteries of Atlantis.

Meret Punk says

3 stars (:

I liked this book :D

But, what I didnt like is the fact that I knew that Jewel is the jewel of Dunamis from the blurb..

Like it would have been better as a surprise :(..

This is the first GS book I dont give a rating above 4 :(..

And I surely hope its the last..

But I will always love Gena Showalter, no matter what xD♥

Merve Özcan says

it was really a beautiful book, funny, creative... while ? was reading it, i really enjoyed.it wasnt a waste of time. nymphs vamps demon etc. it has really colorful characters.

kitap gerçekten çok ak?c? arada ba?kalar?n? gözünden anlatsada as?l olaylar? anlatan Gray ve Jewel. okumas? eylenceli bir daha okuyaca??m? sanm?yorum ama okudugum sürece eylendim a?ag?na türkçe bir özet bulacaks?n (daha çok benim yarar?ma :D)

Gray Atlantisin mücevherini aramak için , (bilin bakal?m nereye) Atlantise gönderilmi?tir. ?ki gündür ormanda vampirler ve iblisler taraf?ndan takip edilmektedir. aniden kafas?ndaki seksi bir kad?n sesi ona iblisin onu öldürmek için geldigini söyler. Sesin yard?m?yla iblisi öldürür. ses bir yerde hapis tutulmaktad?r ve Graye bir anla?ma sunar sen bana buradan kurtulmama yard?m et bende seni mücevhere götürüyüm.k?z?n ad? yoktur. Anla?madan dolayı? ona Jewel ad?n? koyarlar.

Jewel Grayi h?rs?zlar?n,tecavüzcülerin köle olarak sat?ld?g? bir ?wehire yönlerdirir. Jewel o ?ehirde iblis kraliçesi taraf?ndan iblislerden olu?an bir ordu ile korunmaktad?r.meydanda eli ba?l? bir ?ekilde tutulmaktad?r. Gray onu görünce e??ek depmi?e döner. Kraliçe Marina Jeweli insan dünyas?na a??lan ve ejderhalar taraf?ndna korunan portal hakk?nda sorgular. Jewel ne zman yalan söylese onun için kötü sonuçlar? olur. portal konusunda yalan söyleyemez ama cevap vermekten kaç?n?r. kraliçe onu iki masumu öldürmekle tehdit eder ama daha büyük sonuçlar mevcuttur o sorunun cevabunda.

ani bir bildiri ile Grayin onu kurtarmaya çal???rken yaralanaca??n? bilir ve bu bildiriler hiç yanl?? de?ildir endi?elenir.Grayin hayat? ile ilgili görüntüler görmi?tür bütün hayat? boyunca. ve Jewel ona a??kt?r.Grayin bir gün atlantise girece?ini bilmektedir. kendini onlar?n dünyas?na adapte etmi? dillerini ö?renmi?tir.

Gray bir ?eyler patlat?r ve kurtarma giri?imine ba?lar.odas?n?n kap?s?n? patlat?r ve onu kurtar?r. Jewel insanlar?n kelimelerinin alt?ndaki gerçek anlamlar? bilmesi genelde bir lanettie ama Gray ona geri dönece?im bekle dediginde bu lanet gibi gözükmemi?tir. Gray uzakla??na içinde ya ona bir ?ey olursa diye korku birikir. bir iblis gelir J onu yaralar ama öldürememi?tir. bir silah ararken G gelir ve iblis kanatlar?n? açar. yarat???n penceleri Gnin kola batır.iblisi öldürürler. J nin yol göstermedi ile sarayda ilerlemeye ba?larlar.

Kraliçenin havuzundan ormana aç?lan bir kap? vard?r.oradan kaçarlara. göl tarz? bir ?eyin yüzeyine ç?karlar. bir süre sonraGnin ald?g? vampir ?s?r?g? ve demon yaras? içinde sava?maya ba?lar ve G çok büyük ac?dad?r. J onlar? güvenli bir yere götürür.

G nin içinde iblis ve vamp sava?? ve onu öldürecekken J ,Gnin beyninin bar?yerlerini k?rar ve onu ba?tan ç?kart?p yan?na ça??arak vampiri ve iblisi öldürler. sonra G Jnin dü?üncelerini okuyabildigini söyler

marina iblis kraliçe, J yi ve G yi aramak için ormandad?r. Layel vampir kral onun yan?nda belirir.

vampirlerle portal?n Darius yok ederek portal?n birlikte ele geçirmek için plan yaparlara. Layelin amac? yeni bir insan sevgili bulmak(Darius onun a?k?n? öldürmü?) Marina da Dünyada tanr? olmak istedigiki?inin kan?n? içmek istiyor. (iblislerde kan içiyor). Layel k?z ile adam?n yönünü Kraliçeye söyler.(ayr?ca J nin atlatisin mücevheri olduđu ?eklinde bir konu?m geçer)

G uyan?r gece olanlar? rüya sanar. J yi çok arzulamaktad?r. Konu?urlar J bal?k tutar,konu?urlarken J ona güçlerinden ona gelen kehanetlerden bahseder ve G yi gördüğünü söyler. G dü?ününce rüyas?nda J yi gördüğünü farkeder e?ittirler.

J, G den onu bir tap?naga götürmesini ister ona yalan söylemez ama mücevherin kendisi oldugunuda söylemez.

kamptan ayr?ld?ktan sonra ?ehire giderler giderken vamp ve iblislerin ordular?n? Javar?n yerine gittigini ö?renirler. ?ehirde kumar oynayarak para kazan?rlar.

layel Javar?n yerinde nymph sava?ç?lar?n? görür. konu?urlar. ve saraya saldı?rma karar? ertelenir. Layelin arkada? sayd??? nymph kral?na saldı?rma amac? yok, tek amac? Dariusun ölmesi sonra Marinay? öldürecektir.

?ehirde J al??veri? ç?kg?nl? içindedir.Gray ani bir kan içme dürtüsü duyar. J bir kad?na(bo?a yüzlü insan vücutlu) iblis kraliçesinin onu ve o?lunu öldürece?ini söyler. G ce J otele do?ru yol al?rlar. G atlantisi ziyaret eden bir tanr? taklidi yapar(tant?lar eskiden insan bedeni ilk Atlantisi ziyaret ederlemi?.) taklidi J nin zihin

okuma gücünden dolayı kolaylıkla hallederler.

Gray Jewelinde yardımıyla ilahilerde iyi olmadığının ne zaman biri ile karşılaşmaya kalksa ilahiyi bitirdiğini söyler. ve mücevheri bulunca Grayin Jeweli Atlantistide bırakma fikri olayları kışkırtır.

Grayi tanıyan sanan bir hancı bunlara oda verir ve odada ilahiler mercimek ve fırtınalı olayına geçecekken Grayin kumar oynadığı iblisler geli parayı geri almak için Gray 3ünü öldürür ama onlar 5 kişidir. Gray birinin kanını içerek kurutur. diğeri baygın Jeweli saçından tutup çekerken kafasına bir şey vurur. oradan kaçarlar.

ormanda kamp kurarlar çekim ve yardım kalan şeyler sürekli akıllarından ağırdır. ona ağırdır olduğunu far eder. sonunda ikisinin beklediği şey olur. bunlar çadırda yatarken deniz insanları mermaidler saldırır. Gray onları söylediği bir sözlen mücevherin Jewel olduğunu anlar ama anlamak istemez. uçarak mermaidlerden kaçar:D

Gray ve Jewel tekrar başka bir şehre giderler. orada tam vampirler ve iblisler tarafından sıkıştırılacakken, vampirler iblislere saldırır ve kan banyosu yaparlar. Jewel, Layelin niyetini zihninden okur nedenlerini bilmez ama onlara yardım edeceğini bilir. vampirler onları şehrin dışına götürürlü ve krallarıyla yanına dönerler.

orada ejderler ile karşılaşır ve Dariusun yanına, saraya, götürülürler. orada Darius ve eşi Grace ile tanışır. Jewel kendisinin Dunamisın mücevheri olduğunu söyler. Gray ona seni seviyorum der vs. bunlar yemek yemek için ana salona giderler.

orada Darius a iblis ve vampirlerin saldırısından bahseder. 3. gün saldırılarına söyler. ejderler ateş saçarken Gray ateş söndürücü ile soğuk uyulayacak. ama iblisler ve vampirler Jewelın elderlerin elinde olduğu öğrenir. hemen saldırıya karar verirler.

saldırı başlar Graye saldırıran bir vampir Jewelı onda koklar ve kaçar. Layel, Marinayı kuruyuncaya kadar içer. Dariusla savaşı

Grace ve Jewel, 6 iblis tarafından sarayda sıkıştırılır. onu Grace ile öldürürler Grace hamile olduğunu öğrenirler

iki gün sonra bulunan bir tablette Jewel ıyaayan her atlantislinin özelliğini tanıdığını ve Coronusun babası olduğunu öğrenen Zeus abisidir ve ondan çocukken babaları öldürdüğü için özür dilemiştir.

Gray yüzeye döner saraydan çaldığı bir mücevheri verir atlantisteki canavarlar hakkında yalan söyler. Jewelden hiç bahsetmez.

iki hafta sonra Jewel belirir ve iki haftadır yüzeyde olduğunu söyler benimle evlen seni seviyorum.. mutlu son..<3
