Michael Marcondes says

Excellent book explaining the life, times, struggles and spiritual growth of the blessed evangelist in late 1800's and early 1900's. I talks about his U.S.A. ministry as well as his expansion over into Africa. How the Lord took him and molded him and gave him amazing and wondrous gifts of the Holy Spirit to help and heal people in his created church.

Ian Downie says

A good compilation of biography, teachings and reports of God's work in and through this great man of God. His encounters with God and his teachings are totally validated by the documented results that God was able to do through him. It is a very challenging book, but those willing to surrender to God in the way that he did will make a real difference to the world. Not for the fainthearted who may want Christianity on their own terms rather than God's.

Jonamarie Laurila says

Not completely accurate on the details of his life. Since reading this book, I have learned that many historians trying to document his life have found that he lied or at least misled others. Details that are not included in this work.

Jason Collins says

Ill take my Bible and possible this book to the grave. The testimonies s t r e t c h my faith and cause me to reconsider everything I believe about God's will for our lives.

Jeff says

This is the best book ive read next to the Bible. This man had an understanding of the Kingdom that was transformative. He was possessed by God.

Brad Kittle says

John Lake was an Apostle to Africa and a man of many miracles. His knowledge of God and incredible insight into divine healing is amazing. He is a preacher of victory, faith and complete dedication to the Lord.

I recommend him to anyone who is hungering for God; but he is not for the faint of heart or for those who want to make excuses for Christian failure!

Edith Kortekangas says

Wow!

Abigail Matheny says

An absolutely incredible collection of work. It truly was a privilege to read and I'm sure I will read it many times over again.

Paul Van buren says

Made me take a look at the limitations I have placed on God in me. For those who are serious about intimacy in the Spirit and their purpose in this world.

Rebekah Rooker says

This was a book a read at missionary school...Lake was a great missionary in Africa and there are many stories of the miracles that happened there and in the US when he returned. I still pull it out time and again and read the sermons that were transcribed...very inspirational! I definitely recommend all to read this book!! :D
