## **Suryati says**

Pandangan Robert T. Kiyosaki yang memberi kita inspirasi untuk menjadi cerdas secara finansial, yang mengajarkan bagaimana bekerja untuk belajar, bukan mencari penghasilan yang akan menyiapkan jalan bagi terbukanya peluang yang mendatangkan uang dikemas dalam bentuk komik dengan kertas eksklusif yang menarik. Sehingga mudah dipahami dan dimengerti oleh pembacanya bahkan oleh anak-anak sekalipun karena sesuai pesannya tidak pernah terlalu muda untuk mulai.

---

## **Nia says**

Banyak sekali ilmu yang saya dapat dari buku ini. Ditampilkan dengan cara yang unik, yaitu komik sehingga mudah untuk dimengerti dan tidak membosankan...

---

## **Eva says**

Polopaticky vysvětlené věci, díky kterým člověk může otevřít oči a přecvaknout myšlení tak, aby se konečně začal dívat podle svých představ.

---

## **Francesca says**

It Was a nice book teaching kids how to save money for their future

---

## **elektrospiro zanzara says**

?wietna, zrozumia?a dla dzieci instrukcja, jak inwestowa? w ?rodki produkcji a nie w konsumpcj?. Dzieci w kapitalizmie powinny to zna?.

---

## **Onizugolf says**

Suit for kids. Easy understanding.

---

## **Olivia says**

I've read this twice. I think that there's some parts that were good and taught you some things that you need to know.

On the other hand I don't really like comic books very much and I feel more like I got more information from Rich dad for teens.

---

## **Charlene Tanaka Sakarombe says**

it was great educating 2

---

## **Pat says**

Interesting story/lesson about money management aimed at middle school students. It is done in graphic art format, which would appeal to youngsters. The idea behind the book is teaching children how to manage money and to not always start out with out of sight expectations. You have to start at the bottom and work your way up and prove that you are worthy of advancement. Things don't get handed to you on a plate, you have to work for it. This was a review copy

## **Dingi Masakale says**

Loved it and gave to my kids

---

## **Deanna says**

Olivia, Jared and I had already read this individually a year ago, but they wanted me to read it again. The younger two enjoyed it with us this time. I love the Rich Dad philosophies and my children enjoy their books

and games as well. This is a great way to teach about money and how to be smart with money.

This book is in comic book form. The dialogue in it is not how I accept my kids talking. I edited some of it. None of it was bad per se, just not correct language and grammar. That is why I'm only giving it three stars. The book is a great foundation for basic money management principles.

---

### **Dhanu Amanda says**

It's a good book (with cartoon characters) for kids to learn about investment at early stage.

---

### **Abu Kamdar says**

An excellent introduction to financial education for children.
