Samantha Saves the Wedding Valerie Tripp

Few children's book series can match the runaway success of the American Girls Short Stories. In one year we've sold nearly 2 million copies of these perfectly pocket-sized (4 1/2" x 6") hardcover books featuring the adventures of the American Girls. Full-color illustrations, a historical picture essay, and directions for a craft project in every book make these an incredible value at just \$3.95 each. Little Alice nearly spoils Cornelia and Uncle Gard's wedding day -- until Samantha comes up with a risky plan to save it.

Kaetlyn says

Samantha ,Agnes , Agnatha ,and Alice are playing bride and they fprget that Cornelia put her veil in the sewing room. Alice saw it and she tore it to make a dress and veil. Cornelia is upset that was her veil. Samantha asks uncle Gard if he can take her grandmary's house he says yes and Samantha gets her moms veil.Cornelia and uncle Gard get married.

Rembrandt C says

IN Samantha Saves the Wedding, Uncle Gard and Cornelia are getting married. Samantha vows she?l let nothing spoil Cornelis? day. When a disaster threatens to ruin the ceremony, Samantha has a plan that saves the wedding.

I strongly recomened this book to people who like fun books.

Meghan says

I preferred how the wedding was handled in Samantha's movie. This story opened up more questions about Cornelia's family. I also see why the movie had the bonus feature on Victorian weddings. The craft at the end is very simple, but I've always found the Victorian language of flowers to be interesting.

PWRL says

A

Madeline Henricksen says

Samantha's aunt is having a wedding. The day before the wedding, a disaster occurs having to do with the veil. Samantha still has her dead mother's veil. Will she and the groom be able to drive and get it and come back before the wedding starts? It is up to Samantha and her quick thinking to save the day!

I really liked this book because it was an American Girl book.

Jordanna says

This a great book for anyone who needs a quick book to read and likes American Girls. It is a mini version of the mystery books and the sets of diffrent American Girls. I like American Girls so I liked this story a lot. This book has some information and a game or project you could try yourself in the in the back. When I read the title I wondered what it meant by Samantha saves the wedding. At the end I found out what it meant. I thought it was pretty cool.

Marya says

Hang on. If Cornelia's sisters are 3 and 9, exactly how old is Cornelia herself on her wedding day?

Sarah Crawford says

In this story Samantha is going to attend a wedding along with two twin girls and serve as a bridesmaid. The problem is that the girls are supposed to be taking care of each other and one younger girl, but they forget about the younger girl who then proceeds to totally destroy the bride's wedding veil.

Samantha can possible solve the problem, but only if she uses the bride's veil that belonged to her mother.

There is also, as ususal, an interesting historical section, this time on weddings of the period and how courting was done and how the weddings were planned and carried out.

Kelly says

I love the happy ending. I always have second-hand shock/embarrassment when I see Alice coming down the stairs.
