Le Guin , Charles Vess (Illustrator) **Celebrating the 50th anniversary of the timeless and beloved *A Wizard of Earthsea*—“...reads like the retelling of a tale first told centuries ago” (David Mitchell)—comes this complete omnibus edition of the entire Earthsea chronicles, including over fifty illustrations illuminating Le Guin’s vision of her classic saga.**

Ursula K. Le Guin’s Earthsea novels are some of the most acclaimed and awarded works in literature—they have received prestigious accolades such as the National Book Award, a Newbery Honor, the Nebula Award, and many more honors, commemorating their enduring place in the hearts and minds of readers and the literary world alike.

With a new introduction by Le Guin herself, this essential edition will also include fifty illustrations by renowned artist Charles Vess, specially commissioned and selected by Le Guin, to bring her refined vision of Earthsea and its people to life in a totally new way.

Rick says

While I haven't read this edition as yet (I say that I would like to get a copy), I have read all the *Earthsea* stories and novels included in this omnibus edition in other editions. They range for me from some of my favorites of fantasy literature to some just darn good yarns and with the addition of illustrations by Charles Vess, an artist whose work I really admire, I can not imagine that this isn't going to be a beautiful edition.

Isaac says

Ahhhh! This looks so beautiful!
