**A Beautiful Choice** Emily McKee

\*Book #5 in the Beautiful Series\*

Sarah Thompson ...

You already know Gabe and I get our Happily Ever After. You might be asking yourself what's the point in this story when you already know the outcome? We get married. We have a child. The thing is, while we get to the happy part, it was a difficult and turbulent ride to get to that very point.

I made choices. He made choices. We both made choices and sometimes they were filled with regrets. But you can't change it. And I wouldn't want to because we grew from it. We learned. We fell in love.

With Gabe? They were the most tear-filled, screaming and yelling moments of my life. They were disastrous and ugly. And I wouldn't change them for anything. Why you ask? They became the most beautiful choices of my life. So for that sole reason - I wouldn't change a damn thing.

Gabe Prescott ...

I made very few choices in life. For the most part people made my choices for me. I never got to choose anything . . . besides Sarah Thompson. The beautiful, blonde haired selfish-bitch who was best friends with my boy Ryder.

I honestly don't know how the hell he survived that cold-heart. Yet somehow I melted that icy heart and fell in love. I made that choice. And while the road was sometimes the ugliest, it still to this day is the most beautiful choice I ever made.

Loved this series. I didn't read Derrick's story only not into m on m.

A great last installment to this series. I'm so glad I went back and started over to finish it. I have to say, Gabe and Sarah were a tight 2nd place to Ryder and Iz. I loved both couples but I loved the angst between Ryder and Iz more than the young love between Gabe and Sarah.

Maybe one day Emily will make a 2nd generation series for their kids!!! :)

Enjoyed seeing how the "it" coupe originally got together and the epilogue that gave us peaks at the past couples from the series.

Still think the author takes the titles too far and try's to incorporate the words in the books as many times as she can. But I do enjoy that her goal is to write about happy things so that's why I continued the series.

After read A Beautiful Idea and A Beautiful Mess, I anticipate to read Sarah and Gabe's story.

It's a smooth reading if you do not expect something dramatic.

I do hope the short break-up can be as deeper and emotional as Isabelle and Ryder's break-up; also, I'd like to read more details of Ryder and Sarah's friendship.

All in all, I like the ending that gives us all the main characters' future in the Beautiful series. Therefore, I recommend those who have read the previous books of this series to read A Beautiful Choice!

**Wendy Warner says**

The story lines are good for all 5 of this series. One of the problems: too much swearing and too much sex.  
AND WHY DO THEY CRY SO DARN MUCH, GOODNESS
