## Baumgartner Shorts Selena Kitt

Get both Meet the Baumgartners and A Baumgartner Christmas, two stories in Selena Kitt's bestselling Baumgartner series never before available in print! MEET THE BAUMGARTNERS Carrie swore off men after a relationship-gone-bad in her freshman year of college and is perfectly happy with her roommate and lover, Maureen, until she discovers Steve Baumgartner ("Call me 'Doc, ' everybody does") in a very compromising-and decidedly sexy-position. Meeting Doc complicates things, but when Maureen's very-religious boyfriend becomes a real threat and the gang goes to Key West for summer break, Carrie finds herself swept away by circumstance into a whirlwind of lust and sexual discovery. A BAUMGARTNER CHRISTMAS In spite of a brief experimentation early in their relationship, Doc and Carrie Baumgartner have since maintained a monogamous marriage without too much difficulty or even temptation-until now. A move far from home, coupled with new friends and long hours away from each other in classes or at work, have left the young Baumgartner couple on shaky ground. Doc believes bringing in someone "new" like they did early in their relationship might add just the spice their marriage needs, but Carrie isn't so sure about that plan. Doc has a surprise Christmas present for his wife anyway-but in an ironic twist, he discovers she has one for him as well, and each gift allows the Baumgartners to rediscover, in the true spirit of Christmas, an expansive love that includes not only their feelings for each other, but their ability to share that inclusive passion with others as well. ----- IF YOU LIKED BAUMGARTNER SHORTS, you may want to have more fun with this family! Hot and steamy does not even begin to describe this set of short stories! I enjoyed getting to know the Baumgartners. Selena brings it and then some!

### **Chantel says**

I actually really really liked these two shorts. They were sexy teases that make me want to read the other books in this series. Very good.

Very great story. It contains the two first stories in the Baumgartner series and I can't wait to read more about this family.

Hot, hot, HOT!

What a combo! If you're looking for a one-two punch of the erotic, this is it. The introduction to the Baumgartner's saga begins with Meet the Baugartners and a Baumgartner Christmas.

MTB details how Carrie and Doc meet in college, and ABC details their Christmas in Key West.

To avoid spoilers, let me just say that there is PLENTY of very erotic, very charged scenes, with lots of interesting and very heated combinations.

The storyline is interesting, and it kept me engaged, it's not just some book packed with sex, and no plot line.

Selena Kitt really knows how to deliver the maximum amount of erotic heat. Looking forward to the next book in this hot saga.

Book received from Goodreads Giveaways.

This book is very steamy erotica, and I've discovered that I have to be in the right mood to read it. It's really short, just two novellas, but I've had it sitting around on my TBR pile for quite awhile. I enjoyed both short stories, and I will likely find and read other books in the series. However, I can't say I enjoyed it enough to instantly want to continue the series.

The book contains Meet the Baumgartners and A Baumgartner Christmas.

Meet the Baumgartners was the best. Carrie and Maureen were hot together, but the hottest thing of all was

when she encountered Doc in the shower.

I was left wondering if we would ever get to know what happened to Maureen. Did she end up happy with the decision she made?

I am hoping that sometime later in the series it will be mentioned

A Baumgartner Christmas was just okay for me. Doc and Carrie are now married, and although it seems their sex life is healthy, it still seems like they are both missing something.

Doc claims that he knows Carrie needs more, but I don't believe that he didn't want it too, just as much. I was actually glad to see that Daphne, Carrie's friend, point out exactly what I was thinking on the subject.

Maureen was vaguely mentioned in this 2nd short, but not enough to assuage my curiosity about her and now I will be wondering what happens with Daphne now also.

After discovering this family in Babysitting the Baumgartners, I've proceeded to snap up all of the other stories - hot, hot, hot...can't get enough of Doc and Carrie (and their assorted partners and offspring!). These 2 stories were great background - loved them.

### **Arlyn says**

This is a book, containing 2 stories that are related to but not actually part of the Baumgartner Series. I think they're meant to be read first. Both sexy, fun and keeping me curious as to what I'm in for when I start the actual series...which is next on my agenda.
