## Can't Leave It Alone Nicole Jackson

Having a man who's getting serious money is so alluring to most young girls. Ryan is no exception to the rule. Her man Desmond and her brother Bryan are hustling hard together, while she enjoys the fruits of their labor. The flashy clothes, cars, and jewelry that most young people only dreamed about was a reality for her. But everything has a price. One fateful night changes their lives forever, giving Ryan a wake-up call like no other.

In Ryan's eyes, Desmond just can't seem to leave the game alone, but she's done. Deciding that the fast life wasn't for her, she walks away from it all, including the love of her life. Situations force them to move on, but the heart wants what the heart wants. Will love bring her back to her man? Or will the allure of the game prove too strong for Desmond, creating a permanent wedge between him and Ryan?

Can't Leave it Alone is a novel about love in its simplest form. If you let it go, and it's true...it will always come back to you. The question is: what kind of problems it will bring when it returns.

## **From Reader Review Can't Leave It Alone for online ebook**

### **Alesha says**

#### **The Best!!**

You are one of my favorite authors of all time! You never disappoint and you always bring your A game. All of your books are so realistic and on point. I totally loved Ryan and Desmond together. And Jada was just a plain delusional nut job. Can't wait to see how this Tutu and Tericka story plays out. She definitely had her blinders on! Keep up the excellent writing!!

---

### **Angela Edwards says**

#### **Pager Turner!**

This was my first time hearing of this author. I initially downloaded the sample, just to see her writing style. Let me tell you, this book is money well spent. The story kept me on edge, wanting to know what was next. I am now a fan, and will be checking out other titles. Read the book, you'll thank me later.

---

### **Queena says**

#### **Good**

That home invasion scene and old boy finally making his way to the house was intense. I could feel the emotions while reading it. I'm glad they made their way back to one another after all that time and extra stuff in between.

---

### **Christine mccullar says**

#### **One wild ride**

I loved Ryan and Desmond relationship. It broke my heart bout what happened to her brother. Nicole Jackson has become one of my favorite authors

---

### **Jasmin Watson says**

This book was really it definitely a page turner. I love Desmond and Ryan relationship it kind show that love conquers all after part for so long they still had love for each other. I don't know where to with Jada she was just something else.

---

### **Tuesday Cabiness says**

#### **Excellent job**

Nicole Jackson, you did another excellent job with one your books!!! I couldn't put it down, good read folks!!! I'm not sure if their will be a book 2, the ending has you wondering!!! If it is, I will be reading it!! Loved this book

---

### **Barbara Wildon says**

#### **Great so good**

I just love your books I love how lengthy they are which makes them worth the price. Another thing I love is how u keep us updated on your previous characters I love that about your books keep up the good work.

---

### **Liz lloyd says**

#### **Loved it ..**

Everyone should read this ...Loved it .. the story kept me wanting more and more ... I loved how dede and the lawyer shook hands that's real grown man stuff ...good book

---

### **Jodi Moore says**

#### **It was good**

I love all of Ms Jackson's books, she draws you in and has you sitting on the edge of your seat, but I found myself skipping ahead in this book. It was missing something, I am just not sure what. She totally lost me when she used Louisiana slang, being that I am from there it just didn't seem authentic

---

### **Jenna Harps says**

**Ryan and De-De just couldn't get a break. Dina and Ryan are some true head busters. Tricks poor little tink tink that's what she get for being messy. Who in there right mind goes to the main chic baby shower? Jada should've been put out of her misery a long time ago.**

Ryan and De-De just can't get a break. Dina and Ryan are some true head busters. Tricks poor little think think got what she deserved for being messy. Who in there right mind goes to the main chic baby shower. Had a needs to be handled by Ryan properly.

**Tazzyt2bossye says**

Loving her vibe!!!

---

**Kris Danielle says****CLIA**

very well written. I loved Ryan and De-De relationship. The twins were adorbs. It was good to see everybody from the previous books. Well done Nicole

---

**Delonya says**

Final Rating 4.25 Stars

---

**Litisha Jenkins says****Great book**

I really enjoyed this book. Nicole Jackson is really a good author she delivers everytime. I read this book nonstop and so fell in love with Desmond and Ryan love for one another. Jada the snake got what she deserved. I was also glad to see some of the characters for. The other books in this story. Buy this book invent disappoint you.

---

**Janiece Cooper says****Excellent Read**

Again my girl Nicole Jackson did her thing again. You are wicked with the pen I would read this over and over. Waiting patiently for the next read shooting blindly in the dark
