## Loyal to His Love A'Zayler

Ever heard the saying “Every girl wants a bad boy who will be good just for her, and every boy wants a good girl who will be bad just for him?”

That's the perfect phrase for Morgan and Dallas. He's the epitome of ruthless, while she appears to be a good girl. Morgan soon finds out being good is overrated, and she has Dallas to thank for that. After falling for this street hustler from east Atlanta, her life will never be the same again. Although Dallas' lifestyle is new to Morgan, she is more than willing to take this ride with him. This choice is because in the end, all that matters is, their love. Albeit actions and opinions of others are considered, this doesn't deter her, because they don't understand how hard it is to resist a bad boy that's a good man.

You were introduced to them in Love and Loyalty, but you won't know them until you've read Loyal to His Love.

#### **Excellent read**

A great storyline,not your typical gangster book but a great read no doubt. Morgan an Dallas love is a cute. Jade an king are newlyweds and smoke and lay-lay are just having problems. A little drama with Dallas ex causes him an Morgan to split but not before lay-lay has to lay hands on smoke baby moms. Marley can't seem to let go of dallas and comes up with a plan that is so crazy ....to be continued

### **Loyal to his love**

This one took me a minute to get into. Even though I already knew a little bit about Dallas and Morgan I still wanted to see exactly what their relationship was all about. Dallas is the player type but when Morgan comes around everything changes for him. Morgan isn't into the bad boys so she is kind of hesitant to get with Dallas. Their relationship is going well, until Dallas ex Marley comes into the picture. She is like every ex, she still wants Dallas, but he is loyal to Morgan. I had a feeling something was right with Marley especially how she popped back up. She is working for someone who is out to get Dallas. The ending left me on edge. I have to see what happens next.

### **Loyal to His Love**

Marley is stupid. Why do she think her plan is going make Dallas want her. Hopefully Lay Lay realizes she is to good for Smoke and realize Kyle is where she needs to be. Love King and Jade relationship. Morgan going to beat Marley ass. I wonder who her boss is?

OMG Morgan and Dallas are so cute and my favorite couple.I can't believe Dallas would let his past do some shit like that.I wanted to whip Marleys ass so bad like does she not get the pic that he don't want her.I can't stand Morgan's lil guy friend. Lay-Lay stupid I would have went for Kyle and forgot all about Smoke.Jade and King are some cute newlyweds.That ending had me hot i hope he is okay.

### **Crazy Crazy Crazy**

A'Zayler does it again. This one is a straight banger. I'm poised that Dallas slipped up with that ratchet behind Marley. He knew she was on some foolishness from the first time he saw her again and still let himself get wrapped up in her. Stupid, stupid, stupid. I'm so glad Morgan didn't make it easy for him. He definitely needed to know that what he did was wrong. Hoping everything works out though. Need that next book asap.

### **Good Read**

This book didn't had all of the drama that I'm use to reading in other books. But nevertheless I still enjoyed this book. I hate the way that it ended and I really hope that Dallas makes it because he is my favorite character. Now I can't wait to read book 2.
