## **Picture This** Jasmine Jones , Kiki Thorpe

It's Picture Day and Lizzie McGuire's parents have pressured her into wearing the dorky sweater her grandmother gave her for Christmas. Lizzie loves her grandmother, but when she gets to school, her sweater makes the other kids laugh so hard that one of them actually squirts milk out of his nose. Not the fashion statement Lizzie was going for. Lizzie knows it's dumb to care about what other people think. Then again, does she really want to be remembered in the yearbook as The Girl in the Unicorn Sweater? At the last minute, Lizzie decides she has to change her clothes. If only she can come up with a plan...before three o'clock!

## **Picture This Details**

Date : Published January 2nd 2003 by Disney Press (first published January 1st 2003)

ISBN : 9780786845422

Author : Jasmine Jones , Kiki Thorpe

## From Reader Review Picture This for online ebook

### **Hana says**

So cute! Fun to read. . .

---

### **Farah says**

used to read it when I was 13, and I enjoyed it!

---

### **\*^\*Dany\*^\* Fernandez says**

my fave of all the books!

---

### **Madi Schoenecker says**

The only reason I read this book, is because I was up at my aunt's cabin and I didn't have any other books to read. It was just some light reading.

---

### **Katya Smereka says**

Lizzie McGuire is my second favourite Disney channel tv shows. Number one is Hannah Montana! So, reading this and vividly picturing the episodes is amazing!

---

### **Anne Cole says**

good read it a few years back and had nothing else to read so i read it,

---

### **Jerry says**

More fun! More of the show that changed my life! What's not to like?

---

## **Hush Hash says**

I love thisss

---

## **Koushik says**

horribel

---

## **Jerry says**

See my review of the other edition.

---

## **Rebecca McNutt says**

One of the better books in the *Lizzie McGuire* series but there's nothing special about it; it's your typical melodramatic teen whose biggest problem in life is one embarrassing photograph of her in the school yearbook.

---

## **Sarah Crawford says**

In this story Lizzie's school is having it's picture day and, like all the other students, she wants to look good when her picture is taken. Unfortunately, putting together the perfect outfit proves ultra-difficult and she ends up wearing a sweater that her grandmother gave her.

There are also subplots about Lizzie's brother staying home for school by faking being ill, and another about a home-made TV program. One of Lizzie's friends gets taken by a security guard for allegedly stealing some lipstick and the difficulty she has with her friend when she doesn't stand behind 100% in her trouble with the security guard.

A lot of different things happening in this book. The pressure to look really good is obvious. The problem with the security guard and possible shoplifting is a modern problem, setting this apart from stories from earlier years (such as the American Girls series.) The nature of friendship, and just what is required for that, is something that is important and not something that is easy to define.

A good story.

Based on episode 2 of the series, Picture Day, and episode 43, In Miranda Lizzie Does Not Trust.

**Julia Hu says**

thats wat friends are for!!!

---

**Cws says**

JAR4-McG

---

**Noa says**

What I learned from this book is that it  
doesn't matter what you look in a picture. It's  
who you are that really matters.
