**The Itsy Bitsy Pumpkin** Sonali Fry , Sanja Reš?ek (Illustrations)

This gently spooky twist on “The Itsy Bitsy Spider” makes a favorite nursery rhyme just perfect for Halloween!

*The itsy bitsy pumpkin  
rolled down the spooky street.  
He passed a ghoulish ghost  
and some stinky goblin’s feet.*

A little pumpkin is trying to find his way back home! And with a little help from a friendly witch, he is soon safe and sound, back on his porch—where there are no spiders to be seen! Little ones will love this fresh fall spin on a classic nursery rhyme!

# From Reader Review The Itsy Bitsy Pumpkin for online ebook

## Lydia says

Celia got Lydia this book. She loves it. The stinky feet page is her favorite. She smells the feet and makes a hand motion to show they are stinky. The pictures are cute and brightly colored. The rhyme scheme is super easy (it follows itsy bitsy spider).

---

## Miss Sarah says

The adventure of a pumpkin set to the tune of the itsy bitsy spider. simple and sweet babies and up

---

## Carol says

Cute pumpkin story for toddlers, most of whom are very familiar with the Itsy Bitsy Spider story and tune, the format of which this book follows.

---

## Holli says

The itsy bitsy pumpkin climbed up the water spout... Don't tell me I'm the only one that had this play through their mind when they read this.

---

## Homegrown Reader says

This is Bug's favorite but I think that's mostly due to the fact that it's set to the Itsy Bitsy Spider tune. The story follows the pumpkin as he travels through a Halloween world only to become lost. With the help of a new friend he catches a ride home and the story ends happily. This is a basic, run-of-the-mill board book. No fancy flaps or textures but the sing song quality of it is what caught and keeps Bug's attention and makes this a favorite. It's sweet but slightly obnoxious, as I catch myself singing lyrics for hours, if not days, afterwards.

---

## Diana Thomsen says

I was hoping for a book just about a little pumpkin, but this included some Halloween-type characters that I could have done without. This was a PUMPKIN storytime, not a Halloween one... Still, the kids who read it loved it, and I ended up using it for Halloween instead. I do like the use of the song, and the ending was cute. I'd only give it a 2 1/2 or three, because I thought it wasn't as lyrical as I'd prefer, but the fact that the kids wanted it over and over and over and over makes me bump the rating up a point. 3 1/2 stars, but rounding up

because board books about actual pumpkins are hard to find.

### **Alecia R Bales says**

#### **Adorable story with beautiful illustrations**

There are some children's books that just leave you feeling a little happier after you've read them to your child. This is one of those books!

---

### **Caryn Caldwell says**

Using the tune of "The Itsy Bitsy Spider," this board book tells the story of a little pumpkin who goes on an adventure but becomes lost. Luckily he finds a helpful witch and is finally reunited with his family.

The illustrations are colorful and fun, and the board book version is sturdy and perfect for little hands. Those who scare easily may be frightened by the creepy ghosts and goblins depicted in the vivid pictures, but others will likely enjoy singing these festive new lyrics to a very familiar tune.

---

### **Becca says**

Sing to the tune of "itsy bitsy spider" for a cute Halloween storytime with toddlers.

---

### **Luke says**

I've had so much fun reading this book over and over with my Daddy.

---

### **Caroline says**

This cute Halloween board book can be sung to "The Itsy Bitsy Spider."

---

### **Pamela Kinslow says**

I love these books

---

### **Brittany says**

This is sort of like the itsy bitsy spider but with a pumpkin instead. A fun little book.

---

**Michele says**

An adorable seasonal read, my 5-month grandson enjoyed listening, looking at the bright illustrations, and chewing the pages.

---

**Amanda says**

This book was so dang cute.
