The Strongest Strong's Exhaustive Concordance of the Bible Larger Print Edition

James Strong

The Strongest Strong's Exhaustive Concordance of the Bible Larger Print Edition James Strong

The time-honored concordance now improved with large, readable type. As with the first Strongest Strong's, this edition is written with unprecedented accuracy and clarity by John Kohlenberger and James Swanson. Longstanding errors from the original have been corrected and omissions filled in. Word studies have been simplified and special care has been taken to maximize the thoroughness and ease of use. Special features include:

- Computer-verified accuracy
- Strong's numbering system for word studies in Greek and Hebrew
- Goodrick-Kohlenberger numbers in the dictionary indexes that correspond to a growing library of reference tools that use these numbers
- The most up-to-date Hebrew and Greek dictionaries
- Cross-references to places and names used in Bible translations besides the KJV
- Word counts of every word in the Bible
- Fast-Tab locators
- Clear, easy-to-read type

Nick says

I wish this was in another translation than the KJV. It is helpful for reverse engineering for Inductive Bible Study or exegesis, but make sure you have a copy of the KJV on hand.

Shaun collins says

good to have on hand to study the Bible but be careful of the greek and hebrew definitions since james strong was very liberal in his beliefs

Yahwehhelp says

As more Truth is comming to light, it is much more improved over the older version that I got back in 1993!

Laura says

I am not actually currently reading it, but its a great reference book for the Bible. If you have a question about what a word means in Hebrew or Greek. This is a great resource.

Amber Hall says

This book is for anyone wanting to know the meaning of scriptures in the Bible & how they are used. It has helped me a lot in studying the Bible & has brought a great deal more in understanding things I couldn't before.

T. K. Elliott (Tiffany) says

Unlike many who possess this book, I am not an academic Bible scholar. I generally don't need to translate exact meanings from Greek or Hebrew. However, I would not be without this book.

1. Ever thought 'I know it comes in the Bible somewhere, but I can't remember where?' If so, then you need this book.
2. Need Biblical maps? They are in this book.
3. Need to know about the Hebrew calendar, or weights and measures? There is a section.
4. Not quite au fait with the chronology? Strong's has it covered.

In short, a Biblical concordance is for anyone who wants to do self-directed Bible study - not just the professionals - and this is a good one.

As others have said, Strong's is based on the King James Version of the Bible, so works best when used with that version. However, my primary Bible is The NKJV Study Bible: Second Edition and that works just fine for my purposes.

Jake Maguire says

I liked this big huge obnoxious thing!

Efrain Guzman-Rosario says

One should never be without one when doing in-depth biblical studies.

Will Mcleod says

I own this Concordance. It's one of the better ones that I have used and/or have owned. I highly recommend it.
