## **Una propuesta para Amy Tessa Radley**

¿Quién era el verdadero padre?

La prometida del difunto hermano de Heath Saxon, Amy Wright, estaba embarazada del heredero de los Saxon. Amy había pensado marcharse de la ciudad, pero la oveja negra de la poderosa familia Saxon no iba a permitírselo. Heath le había propuesto a Amy legitimar al bebé casándose con él. No iba a ser tarea fácil convencerla. Hasta que una noche le demostró cómo sería su vida si fuera su esposa.

Pero Amy guardaba un gran secreto acerca del bebé...

## From Reader Review Una propuesta para Amy for online ebook

### Julie (jjmachshev) says

Humpf. If you've been reading Tessa Radley's 'Saxon Brides' series from Silhouette, then you will probably want to read "Pregnancy Proposal". If you haven't, meh.

Amy's fiance, the eldest Saxon son, died recently and her emotions have been rather unstable ever since. Now she's pregnant and SO ashamed. She's always been the good girl...what will people think? What will she do?

Heath Saxon has been in love with Amy for so long, but hid his feelings because she was in love with his brother. When he gets the chance to marry Amy to give her a father for her Saxon child, will he be able to get past the feeling of betraying his brother?

Amy is a weak, whiny, spineless twit. I found myself wanting to throw this book against the wall several times to try and erase her waffling and whining. And Heath wasn't a whole lot better. He loved her, knew his brother cheated on her, and didn't do a whole hell of a lot to protect his 'beloved'. This author can do so much better than this.

---

### Jennifer says

Short. Fast read. Predictable. But still enjoyable.

---

### AvidReader says

The book was good, almost a slowburn. It took me time to warmup to heroine. I didn't like her in the beginning. But hero certainly made up to that. He was considerate caring and too much in love with her. I liked how the book didn't reveal all the secrets at once, so that it gave us a chance to understand main characters and their actions. I anticipated more angst when they reveled their secret to family. Epilogue was sweet.

Recommended.

### Roub says

i like this kind of plot very much but the story was as if scattered..as if the author had no definite ideas. i also did not feel connected 2 the characters. their feelings did not seem genuine

---

### Tia says

I expected more! I found this book a disappointment and although it was, I didn't dislike it. it just seemed poorly written and rushed. There were parts that didn't make any sense, like her hiding the fact that the baby was not Rolands, like why wouldn't the hero be suspicious of that, it doesn't make sense? It also seemed unconnected, you couldn't really feel the emotions of the characters and you lost that emotional connection which is so important in books. Meh.
