I just can't get over how CUTE Rutta and Kodama are together! I love them, it's a really sweet story and nicely drawn. I'm just always really glad about happy relationships in LGBTQ literature, and I still don't understand why I didn't start reading Yaoi sooner. Actually I think I had a kind of prejudice about it. Stupid past me ^^

### **Sherry says**

This volume focuses solely on Rutta & Kodama, which was a good decision, in my opinion. The little episodes we get to see are mostly angst free and cute but in such a way that you can't help but like these two even more and just want them to happily live their lives. I hope we get to see how they grow up as adults together.

I did not expect the fluff explosion this volume turned out to be but it's really cute nonetheless.

Kodama flip-flopping from jealousy to chillest bitch ever is kind annoying, but whatever. Still enjoying this manga a lot and it's SO LONG I LOVE. I skipped the two chapters for the other love story because bitch idc.
