Born in the projects and bred in the streets, Cassandra has been on her own since age fourteen. She learned how to make a way out of no way—from boosting clothes to credit card scams to sex, doing whatever she had to do to survive.

Unfortunately for her, seducing men out of their money (and their minds) came easy. And it didn't take much for a young Cassandra to have guys of all ages eating out of the palm of her hand. A blessing and a curse, the alluring sway of her hips commands attention—wanted and unwanted. But escaping the ghetto has never been a desire for her. And she has no qualms about sleeping with anyone who is willing to satisfy her libido and help her in her quest to get to the next level of ghetto-fabulousness—no matter the costs.

Since I know how nasty Cairo can be this book didn't bother me at all. That and the fact that it was my second time reading since I didn't read it in order had me loving it. Big Booty is something serious!!! This chick was too much but what more would you expect from someone who likes to keep it real and keep a few sponsors!!! Booty was in a league of her own and I couldn't be mad at her hustle. I had to give it to her though, because regardless of how many kids or baby daddies she had, she still handled her business. Her mouth was a bit much when it came to dealing with her kids and she damn sure didn't mind going to their asses. I was trying to understand how she dealt with her girl Lina because that chick was beyond stupid. The sponsors Big Booty had on standby made sure she didn't want for anything. Even though Big Booty claimed she didn't do drama I'll be damn if she wasn't messy and newsy as hell! And my how things began to change. From a possessive sponsor, a too grown teenager, being messy and starting shit, and finally getting a unexpected visitor. It seemed as if everything began to catch up with her. I was curious to know who she was talking to and plotting against but I guess the only way to know is to start the next book. Damn has her messiness finally gone too far?! Keep them coming Cairo!!!

It wasn't for me. I love a hot, steamy novel but this was more like ghetto porn. Bad ghetto porn. The type with chicks who have gunshot wounds and ashy elbows. The protagonist was just silly and the plot was impossible to follow. I was unable to even accept the suspension of disbelief because it was just that ridiculous.

This was another new author for me. I would have enjoyed it better with less porn and abuse of the main character towards her kids and friend but it was heavy on humor so I gave it 4 stars.

All About That Money

Cairo's "Big Booty" is a straight up freak fest with a story line. The graphic XXX Rated sex-plosion keeps the average reader's mouth hanging open while the raunchy audience salivates uncontrollably.

Cassandra, aka Big Booty, is the epitome of 'If you got it, flaunt it' layered with a covetous attitude bred in her from a young teen. Her body, complete with a voluptuous butt, has given her luxurious stability in a ghetto fabulous existence.

Big Booty is proud of her body; it keeps her somewhat gratified, flawless, fierce, and paid all while providing a roof and all the amenities for herself and her kids. She has enough kids to start a basketball team and enough baby daddies to coach, assist, and then some.

Through the shopping, the salon, the beat downs plus DYFS, Big Booty manages to not be ostentatious in the club, which is a mere backdrop for sex. Her sexual appetite has no boundaries; she engages in the most crude, lewd, obscene, pornographic, vulgar acts the primal mind can imagine. No matter what you've heard, "Big Booty" reiterates the saying you can take the girl out of the ghetto but you can't take the ghetto out of the girl.

It was a truly engrossing read.

This book is truly a hot ghetto mess...but it was hilarious and good. Cairo had my attention from page one. Cassandra is truly a force to be reckoned with. Her wild freaky antics keep you wanting more. Big Booty is definitely something different and although it's not every one's cup of tea it surely was a good read to me.

Bridget Bray says

Man! Big Booty is crazy! She handle her kids, but you can tell she loves them. She all in the drama, but swear she don't do drama!! lol. Need to see what the master plan is! On to Retribution!

Black Carrie says

LOVE. LOVE. LOVE Big Booty, if you want non-stop laughter, drama, ratchetness(I know it ain't a word), and sex all in one, then you need to pick up this book. Big Booty keeps it all the way 100 with her messy ass. And those bad ass kids LAWD LOL Ciaro penned out another banger! . This book had me laughing until tears were running down my face, mad at times. Cassandra Simms, also known as Big Booty, is a handful and a half. But she makes no excuses or apologies for the way that she is. She was dealt a hard hand in life but has grown into a woman that knows how to work her situation; either through the system or through her "sponsors". Big Booty gives it to you straight no chaser and you absolutely love it!! I found myself laughing out loud and reading parts over again just to laugh some more.

Big Booty is many things, but she don't play bout her money n kids. This book is a hood porn, funny, will have you learning new tricks and all. I just want to know who is this person on the other end of the phone she talking too?! Those kids are a trip, and Big Booty can throw some good ass Shade, she can teach these dumb broads alot

Idalia says

I knew that this was going to be a very erotic book, and I was really trying to enjoy all the "colorfulness", but I did not believe the characters, I did not like the storyline, and didn't enjoy how this book was written at all. The "hot" scenes are intense and crazy but you can't base a 500page book on random "hot" scenes. I do not recommend this book, but if you are going to read it, spare yourself some time and just skip to the "hot" parts, lol. <http://www.divasbookclub.com/>

Ok. I read many of the reviews for this book. In reading I am wondering if some of the reviewers have ever read a book by Cairo. This one is true to form. It is based of some characters mentioned in his book Deep Throat Divas. I found the book entertaining. It is most definitely graphic even overly graphic at times. But I thought it was ridiculously hilarious. I didn't try and get anymore than it was giving and the interactions with the main character Big Booty and her kids had me hollering at times. True...this book is not for everyone and it won't change the world but it definitely kept me entertained for some hours.

Valerie says

First of all Cairo is amazing with his writing style, but you have to be ready for Cairo. Most of the books I've read by Cairo are full of steamy and sexually explicit scenes. So be ready for him.

This is my favorite book of the month.. When I tell you this book had me laughing from page one.... Please believe me.

Although this book takes up right after Deep Throat Diva Part 1, it can also be read as a stand alone, but trust you will want to read Deep Throat Diva as well to know the full story.

So much ratchet drama and juicy gossip mixed together with steamy erotic sex scenes will have you turning the pages and covering your mouth to keep from laughing out loud and busting a gut.

I just hope that there will be a Book 2...Love the Cover btw :) On to Retribution: Deep Throat Diva 2

Review of Big Booty.

Big Booty a novel by Cairo.

I should have suspected this book was going to be full of over the top sex scenes when I read the title and the synopsis. Having read Fifty Shades last year and other such novels I didn't think it could be any worse than that.

I wouldn't say it was a bad novel, I just couldn't take it seriously. But then I don't actually think I was

supposed to. The main character, Cass, or Booty, was just ridiculous. I kept on muttering away to myself at how stupid and awful and downright nasty Cass is, but then she would do something that made me think, "OK, maybe she isn't so bad."

In the write up the book gets described as being like an episode of Jeremy Kyle. I'd say Jeremy Kyle meets Oprah meets The Osbournes!!!! I was determined that I couldn't say a positive thing about this book, but then a plot twist grabbed me by the throat and almost choked me half to death!!!!
All I am going to say is, bring on the sequel.

If you like your characters trashy then this book is a must read. You will laugh yourself silly at them all, with their ghetto talk. And the huge amounts of sex scenes really can't be taken that seriously, surely?
It's quite a long book and you may be rolling your eyes with all of the trashy characters and over the top sex by the end of it, but I have to say you really do need to stick with it, because you will be wanting more by the end - not glad to see the back of it like I expected to be!!!!

**** 4 stars because I did laugh quite a lot and loved the cliff hanger!

Oh m gee! What a messy ending!

Ebony EyeCU Evans says

In all her true ghetto fabulousness.... Cassandra Simms aka Big Booty is well aware that the sway of her hips & drop it down low dips, can have sponsors begging 2 line up 2 pay 2 play! Making no apologies..... Big Booty keeps is 100% messy at all times, running game to feed her expensive shopping addiction & ensure her 10 bad ash kids are taken care of.

Laugh out loud funny, suspenseful, drama filled & COMPLETELY FULLLLLLLL of seduction & mind trickery.

I can honestly say....By far Cairo has delivered us some of THE MOST RAW, GRITTY, MIND BOGGLING, TWISTED THUG LOVING, STR8 W/NO CHASER, NOVELS U EVERRRRRR WILL READ!

WARNING: Guaranteed 2 have U percolating...READ W/A NOTEPAD & PIECE NEAR BY!

Can't wait 4 the release of "Slippery When Wet".

Stephanie says

Cassandra is fearless, fiesty, and bold. She lives life by her own rules and suffers no fools. A minor neighborhood celebrity, she visits the local bar (Crackhouse) with her frienemy Dickalina and makes fast friends with those with cash to spend. Through out the books she "meets and greets" several suitors that support her love of labels. Gucci this, Fendi that? Damn right. When she's not in the club, she's mom to her brood of children making sure that they are well clothed and learning in school. Her method aren't conventional but she demands her children's respect.....and gets it one way or the other.

The author did take some liberties with language and some situations. And I cannot relate to someone who behaves this outrageously. I was disappointed that this seemed to be a set up for another book. Even though its a bit lengthy I found it a quick read. Warning: the language is quite colorful so this will not be a good book for those who blush easily.
