The week before his 30th birthday, once-renowned New York chef Billy MacPherson learns his restaurant is bankrupt, he's been evicted from his apartment, and his estranged father has dropped dead. Against his better judgment, Billy agrees to return to Oregon to face the family and friends he callously left behind, all while fighting the terrible—yet, inevitable—prospect of turning 30.

#### **Great read**

I won this book in a Goodreads Giveaway. The ending was not what I expected. The book is well written, in fact, I had a hard time putting it down. You just get sucked into the story and want to see where Billy will go next. The book reminds me of Jonathan Troppers writing style, whom I love as well, so will be adding this author and passing it on, enjoy!
