## **Kidnapped** Erin K. McCambridge

17 days, 13 hours and 24 minutes, that's how long it took me to realize that I had fallen in love, with him of all people.

Charlotte Murs. Young, beautiful and in a happy relationship, perfect even.

She never meant to fall in love with him, she didn't even like him but I guess that being held hostage in an abandoned mental hospital can change the way you think about people. Especially if you go through some life changing events with them in there.

The aftermath of their escape is treacherous, Just problem after problem for the two, Will they be able to overcome this rusting roller coaster that society calls life, or will fate get in the way as usual and tear down the world that surrounds them?

### **Cindelu says**

I won this book on Goodreads.

This book started out ok but went from that to depressing and bizarre. Unlike most books it even had a bad ending- not a happy one at all. It was basically young people cheating on each other and then doing awful things to each other including killing and suicide.

Not my cup of tea I guess.
