### **Barbara says**

Book 2 is a good follow up to the first book.

The author did an good job. Thank you to the author for a good story

### **Tonikia says**

Again the Story was a great story but the grammar errors, OMG was worse than book 1. Author need to find someone to better edit this book. How can you be talking about Nico and say her all the time. Really confusing. That's why I gave this book 3 stars, the editing is so terrible that the only reason why I finished it was because I wanted to know what was going to happen with Tania and Nico.

### **Lisa says**

The emotions in this are all over the place, crazy! Not a bad read!

---

### **Taz Will says**

I can't believe what happened but then again I sort of saw it coming. Good book.
