## **From Reader Review ?? ??? 30 for online ebook**

### **Nancy says**

revenge on bardray, lol

---

### **Lazybee says**

This is the longest series I've ever read, till now. But doesn't feel like it. It's over so quickly. But the happiness from each book is never decreasing. Awesome.

---

### **Fernando says**

(Review for Volumes 21 - 30)

The story now has a solid base and the main protagonist takes on lavish adventures. Interesting magic and situations drive the books but it seems the protagonist is loosing sight of his goals.

---

### **Michelle Lluch says**

i want to read this book.

---

### **DDR77 says**

good
