## **Beautiful Lies** Dominique Thomas

Twin sisters Mercy and Mack are what some would consider Detroit socialites. They live carefree lives until they fall unexpectedly for two men.

Quincy is forbidden fruit for Mercy. Her father has forbade her to stay away from him and that becomes something almost impossible for her to do.

Mack is happy with her girlfriend Charity until she meets Kaemon. He's demanding, intriguing and the first man to ever get her attention. She finds herself enthralled with him only to discover he has a closet full of skeletons that are waiting to fall out.

Ivy and Quinn have one thing in common, Hayward. He's the love of both of their lives and they soon find themselves wrapped up in a web of deceit that makes them question if he is even worth all of the pain and heartache.

Follow these women as they deal with love, loss and heartache which all starts because of a couple of beautiful lies.

#### I loved it!!

I absolutely loved this book. It was so good from beginning to end. First let's start with Mercy and Quincy. I love their relationship with one another he was always so attentive to her needs and I loved it. I feel bad for Mack and KD because I believe he really loves her but like most men he kept messing up until she had enough. Ivy and Quinn at first I felt bad for them but a man can only do what you allow.... I'm glad they found happiness. I was shocked at the end to find out the real shooter... Speechless!!!  
This book is a must read!!!

### Shenequa says

#### Good story

I almost hated how Hayward and Quinn's story ended but he just couldn't do right. I couldn't stand how Ivy felt like everyone should have been on her side. Loved Quincy and Mercy together but I wish Mack and KD could've worked out.

### **Quinn is my girl!!!**

I like how the books was written and gave us a look at pass characters. My felt so bad for Erin! Mercy & Quincy was so cute! Looking forward to seeing what happens with Mack! Quinn is my girl, wished Hayward would've stopped being like his father and realized he had a great woman! Sorry but both He & Ivy was hella wrong so all the shade they got from others was ok with me! I wanna know more about Quinn & Hayward. Also, can we hear more from Quincy mom I loved Ms. Trina and how she was accepting to the kids when they mom did a oh hell! Honestly i didn't care for Mia much but I'll read the story!

### **Beautiful Lies**

This author never disappoints. This was a great read. The title says it all. If you are looking for a great standalone read, then this is the book for you. I loved the storyline because it kept me trying to figure out what was going to happen next. Plenty of twists that kept me turning the pages. There was also just the right amount of drama. And let's not forget about the secret that was causing problems. You have to read this book to know exactly what I am talking about. Kudos to the author for another excellent read.

### **Loved it!!**

Yes ma'am, yes ma'am, yes ma'am!!!

I loved this from beginning to end. I hate it was a standalone. I loved Quincy, he was the most stand up guy of them all. He declared his love for his Mercy despite the family history. Hayward was such a man w\*\*\*e with commitment issues. I'm glad Ivy saw his ways and decided to stop making a fool of herself. Quinn as well, despite it all. I'm glad she broke that cycle of damaged relationships. I liked Malano even with the age difference he knew exactly what he wanted in his life. Aamil was a delight as well. Mack well.... I feel she should've stayed with KD. But, I'm glad she stood for something and didn't fall for anything. I'm very glad Eric and Kasam pulled through the hardships of loosing their daughter. Mia and her husband relationship was very tainted. So was Trina and her husband's. Overall it was a enjoy to read. I couldn't put this kindle down for anything whether if it were to cook, clean or whatever this book was definitely A MUST READ!!

#### **Beautiful Lies**

This was a good story it was just too many small annoying errors for me. I hate to give it a 3! Hayworth ain't worth a damn. I loved Mercy and Quincy's relationship. Mack and KD relationship started off all wrong. He hid things from her that he could've been told her. His baby mama was aggy af! I loved seeing Kasam and Erin! I felt so sorry for Erin! But I'm glad she got the help she needs.

#### **Good Read**

Beautiful Lies was an entertaining story. Mack the lesbian turned straight after falling for Kaemon, but then he had all these secrets and baby mom's drama which was more than Mack bargained for. Mercy falling for Quincy a member of the Kemp family that was a family that Mercy's family hated. Mack and Mercy's brother Hayward and his shortish ways caused him to lose both his ladies but not before a bunch of drama between the two ladies Quinn and Ivy. I actually liked both Quinn and Ivy. I hated how Hayward used to manipulate them but was glad in the end they found happiness with others. The absolute most drama was from the parents of the Kemp family and Mack, Mercy and Hayward's parents. When those lies and secrets came out it gave a better understanding of why and how things came to be. I would recommend as a good read.

#### **Good read!**

Very good read. Love triangles galore. I'm glad everybody got their happy endings. I didn't see that coming

about the girls mother.

### **Tierra says**

This was a really nice story. It's one of those stories with real people problems. Everyone had something they were going through, but the biggest pain in this book was Hayward. He was so freaking selfish, he jumped from one cake to another. I was so glad when both woman found their strength. Mercy and Mack had thier drama but Mack's was more. Mack had a lot on her plate dealing with 2 relationships. As much as she tried to hold on, the obstacles she faced wouldn't allow it. I'm happy she finally found her happy place. Mercy klepto self had love staring her right in the face, but due past family aggression she was feared that love. Reading this you would have never expected that the person everyone respected was the reason for the family drama. The author did a great job putting this story together despite the editing mistakes.
