Billionaire Games: Boxed Set

Sandra Edwards

Billionaire Games: Boxed Set Sandra Edwards

Contains all three books in the Billionaire Games series.

In THE MARRIAGE BARGAIN Julian de Laurent needs a temporary wife. Camille Chandler needs a job after he inadvertently gets her fired. If she agrees, he'll pay her five million to marry him. It's just a business deal, but neither could have foreseen what happens next, especially Camille, when she learns he's capable of stealing her heart.

In THE MARRIAGE CAPER Andre de Laurent, Julian's little brother finds himself in a predicament. Is it possible that Tasha Gordon, his new sister-in-law's best friend, is the answer to his prayers?

In THE MARRIAGE FIX little sister Lecie travels to America where she may well have found her Prince Charming--who's in desperate need of help.

Shannon says

Loved the stories

Exciting stories of all three family members. Was hoping that before it ended that the sister would be having a baby but still exciting stories

Jessica says

I enjoyed these books! My only complaint was that the endings felt a bit rushed. Worth the read though!

Cynthia O'Neill says

Wonderful stories of how love can happen through arrangements, despite misunderstandings and many things meant to keep them apart. Highly recommended to everyone I know. Three amazing romance stories, with trying times, but overall swoon worthy and a bit of steam to boot.

Debra Martin says

Sandra Edwards does it again! Three stories of misunderstandings, loyalty and of course love that will keep you turning the pages until the last word is read. We are introduced to the de Laurent family-Julian, Andre and their sister Lecie. To get away from their controlling father, each of them look for unique ways to break free and be independent of Maurice's influence. The marriage-of-convenience stories are masterfully written reeling the reader in to enjoy swoon worthy heroes as they navigate the sea of love. Nothing comes easy to any of them and we feel their frustration, heartache and finally love. I enjoyed all three of these stories, but my favorite was of Andre and Tasha in The Marriage Caper. If you're looking for a wonderful way to spend the day, look no further than The Billionaire Games. They will leave you believing in the magic that love conquers all. Highly Recommended.

Melissa says

This is on the verge of a 4 Star but didn't quite make it for me.

I actually love Julian. He is soooo I to Camille from the start that it makes me smile. I loved reading his POV. Camille had a very low self esteem. It was almost annoying but not quite there. It was more on the sad side being abandoned as a child and never being reassured in her beauty. Of course she has the stereotypical perfect best friend. From the first chapter I could defiantly see the direction the story was going to take but it was executed extremely well.

I hated everything with Madeleine. Everything. It was all unacceptable. Everything she did was never addressed by anyone and that annoyed me. Julian told her to leave the wedding, wow! Then when Julian and Camille had their falling out everything just wrapped up quick. I liked he came to her, I liked the effort. But the resolution was way to fast for my liking. Dad was never addressed to many loose ends otherwise the rest of the book I loved.

Karen Shortridge says

I have really enjoyed reading these books, the true love stories where they need a shove to realise their feelings for each other and that you can fill in bits with your own imagination. you will love all the characters and you won't want to put them down once you start. I would highly recommend these.

Elaine says

It was enjoyable enough but it reminded me of the marriage bargain series by Jennifer Probst. For me Jennifer series has the edge.

Patti says

This is a box set. The stories are pretty predictable. You can figure out how the story will end pretty quickly but if you keep reading you will be rewarded with a good story that makes you believe that it's possible for someone to fall in love with a billionaire and live happily ever after!
