Classics Unfolded: Pride and Prejudice Becca Stadtlander (Text)

***Pride and Prejudice*, Jane Austen's witty and romantic commentary on upper-class social manners, now condensed for your easy enjoyment!**

Lushly illustrated by Becca Stadtlander and part of the *Classics Unfolded* series, this title is protected by a gorgeous slipcase. It is a fully illustrated fold-out concertina, telling one of the world's greatest stories in 14 scenes and doubling as a beautiful piece of freestanding art to shelve or frame. With quotes from the original text, close-ups of the main characters and summaries of the key themes, *Pride and Prejudice Unfolded* makes this famous tale accessible to a new generation of readers.

Joey Woolfardis says

This is the shortest version of *Pride and Prejudice* you'll ever encounter and, in my opinion, is better for it (I am not much of an admirer of Austen's adult writings, P&P in particular). It's such a beautifully illustrated novelty book: the 19th Century Romance is retold-extremely abridged-in short sentences that tell only the minimum of plot, but give the maximum effect. The illustrations are just lovely and I have honestly never enjoyed *Pride and Prejudice* so much before, not even with any kind of drenched man in sight. Obviously you won't find anything in-depth here: there are some of the most famous quotes from the book itself dotted around, but it's more a celebration of the book than anything else. It is just an utter delight. 'Nuff said.

I read this lovely little P&P adaptation to my daughter to celebrate the 204th anniversary of the publication of *Pride and Prejudice*. That, plus coffee in one of my P&P mugs, made for a fun time!

Abnegatsuki says

This book has the most amazing pictures ?? I've fallen in love with all them and I really enjoyed reading again this amazing classic.

Lea says

This is a fabulous fold out book with beautiful illustrations. It includes portraits of the main characters, each page has a book quote and a one sentence summary of events. The full page illustrations are gorgeous. The last page has a "in 30 second" description of the book plus key words. A treasure for the P&P collector.

Dyah says

I love the vintage-style illustrations... although someone said it looks like coming out of the tin of Khong Guan biscuits :))

This edition is perfect to introduce this famous classic romance to early readers.

Claudia Piña says

Tan bello.

Kristi says

This fold out book touches the essential plot points of Jane Austen's Pride and Prejudice with exquisite illustrations. It does not, of course, compare with reading Austen's novel in its full version, but is a wonderful introduction to the story for a young reader, or as a keepsake for an Austen enthusiast.

Slow Man says

You can unfold this and let it stand on the table. It is very pretty to look at. When you feel like reading a sentence or two, you could.

Eleonora Di Nucci says

Questa edizione della Gallucci Editore é un gioiellino da far scoprire a tutti, giovani e non. I disegni di Becca Stadlander sono una gioia per gli occhi!

Nikki says

I want to frame this and put it on my wall! Such a fun way to retell a classic. The most notable quotes are included, and the artwork is beautiful.

Georgiana 1792 says

I disegni sono molto belli, ma il riassunto è troppo striminzito. Belle le citazioni tratte dal romanzo di Jane Austen.

Perfetto per chi conosce già il romanzo, meno indicato per gli altri.

Bethany says

This is a really cute and unique super-abridged version of P&P. Excellent illustrations! Now I want to sit down and enjoy the original! :D

Evagelia Anthony says

I received a copy through the Goodreads First Reads program.

An easy-to-follow and beautifully illustrated story. Each picture has an explanation of the story's events and includes a story summary at the end. Very well done.

Natalie says

I got this for a gift awhile ago. It was packed away before I could read it, and I discovered it after unpacking some things. I like how the classic story was condensed into a few pages. The illustrations reminded me of the portraits from the era. I did not give it 5 stars as nothing can match the original novel.

Eva GL says

las ilustraciones son muy bonitas y contiene lo mas importante de la novela, ideal si la has leído y quieres repasarla.
