Bible-Era Drama From a CBA Legend

Rahab, a weaver in Jericho, is forced into prostitution by her father's gambling debt. With no choice in the matter, she often thinks death would be preferable.

When Israel's vaunted army crosses the Jordan River, two spies including Ardon, the son of Caleb, come to scout the land. When Rahab saves them from capture and death, the two promise to spare her when the army destroys the city. Ardon has no use for fallen women, yet despite himself, he is attracted to Rahab. She is becoming a woman of great faith, but his pride will not allow him to forget her past. As the battle for the land escalates, both Ardon and Rahab will put God's faithfulness to the test. *Daughter of Deliverance* is brimming with adventure, romance, and heroic acts of faith.

### **Joyce Taylor says**

**This story brought the children of Isreal to the promise land. A good reminder that God loves all people.**

This story was fiction but with a truthful theme. Rachel is not known except she saved the two spies. The red cord is well known but few remember that Rachel is named in the line of Jesus. She was called a Harlow.

### **Shannon says**

I have truly loved this series. I loved following the story from the Bible.

#### **\*Favorite Passage\***

"She could see it all now with perfect clarity, green grass so fresh it almost hurt her eyes, the sparkling waters of a stream curling across the plain. She could hear birds singing and the sibilant whispers of the breeze. She could even smell the pungent aroma of acacia trees lacing the warm air with sweet, musty odors." Daughter of Deliverance by Gilbert Morris, page 9.

### **Amy says**

I think this was the worst of the series to be honest. It was a really slow and meandering read, mostly focused of the family of Caleb, rather than on Rahab. It stays mostly true to scripture including many facts from the book of Joshua. I found it disappointing all in all, there is little growth of character and when it occurs it is sudden and unnatural, there are several statements that are made that are quickly negated as well. A disappointing end to the series.

I really enjoyed this book. I never thought much about Rahab in the Bible. It was interesting to read this story of who she might have been. She came alive for me. Can't wait to read the rest of the series.

#### **All I hoped it would be**

Even though I have studied the Bible for 40 years, and know about the Lord leading Israel into the Promised Land reading this book helped me to again marvel at all that our God is. I can't do anything but praise Him!

Still good! :)

**Sean MacKenzie says**

I was terribly disappointed, mainly because the author- a pastor- would stray so far away from Biblical truth. Rahab did not marry Ardon son of Caleb, she married Salmon. Gilbert Morris had her and Ardon marry in the end of the book. I am so very disappointed in him as an author.
