Khoo Chengkang

Ms Maybe Yes and Ms Maybe No are two good friends. They're the daughters of perpetual arch-rivals, Mr Yes and Mr No respectively. This bunch of essays and poems invites you to befriend these two comely daughters while you take your side with either Mr Yes or Mr No. It encourages you to look for rainbows, to draw in a little arts and philosophy, to make your own music. Had it not been for these two daughters, this world would only show black and white, right and wrong, good and evil. There would be no colours, no culture, no arts, no democracy.
