Val says

Warbreaker was my introduction to Sanderson.

I know it's not quite as popular as his other works, but it remains amongst my favorites.

It's worth the wait.

THAT TITLE MAKES ME SO HAPPY *cackles off into the distance*

Shelby says

So I was randomly looking through old books on my shelf, and I decided to peruse Brandon Sanderson's book pages...and found this.

I just died.

PLEASE RELEASE FASTER.
