Kaye says

The pieces inside this collection are solid, but there were three that were notable; so much so that I doubt I will forget them for a long time, if ever. The first was a tale of a woman bringing home her dying baby to care for him until his life finished. Heartbreaking, but lovely. The second was about a prisoner bringing Christmas into incarceration, and impacting an unloved prisoner's life. The third was a humorous story from Rabbi Rami Shapiro, discussing the trials of becoming "enlightened", even if all the enthusiasm is there. Overall, great bedtime reading.
