Cute, Short and just amazing. We get to see Dominic, Luke, Kai and Garrett.

“He says dumb shit on the regular that makes me laugh, gets grumpy when he's hungry, and eats all my peanut butter, but I still love the bastard.”

That was a fun little episode of Luke and Dominic visiting Kai and Garrett.

I love these guys!

*****5 Stars*****

A few quick pages showing Luke and Dominic's visit to Garrett and Kai. We get all 4 POV's, which I absolutely loved. And naturally, you get the Megtino banter and steam you've grown accustomed to. This series is a serious WIN.

I had been saving this short story and I am glad I did! It was the perfect story to read right now, I had a giant smile on my face the entire time.

Pre-Garrett, I never wanted anyone touching me when I went into meltdown mode. But now, he was the only thing that could calm a panic attack in under two minutes.

This was such a sweet and funny novella, and I loved seeing more of Kai and Garrett together. And I'm so glad that Garrett and Dominic are still friends, and that Kai and Dominic got along so well.

"Aw, Reid, you big softie. I knew you wanted to be my best fucking friend!"

5 HOT stars

I knew, I really knew reading this was going to let me want for more! And now the waiting is really painful and makes me want to cry ... Oh, February isn't here soon enough!!!

This free bonus #2,5 is HOT and SWEET in the same time. Made me want to re-read the first two books, like yesterday!

Strong Signal kept me up at night. It was my first book by both these wonderful authors. I was in love with their writing from the first pages and the last ones made me want to discover Dominic's story too.

Fast Connection was amazing and blew my mind! I saw another face of Dominic and he charmed me. Luke too, of course!

I could really picture Kai and Dominic playing video games and Garret and Luke being polite and getting to know each other. Such amazing couples!

WHY IS IT SO SHORT??? I could read another 1.000 pages about these 4 and never get bored!!!

Cute read. I loved the Bi-sexual Dr. Phil remark!!

A lot of LOL moments..

"Am I doing a good job?"

"A good job of what?"

"Not fucking up," he said. "I was sweating it for hours, man. Convinced you'd regret inviting us or that I'd not get on with Kai. Shit. Luke had to suck my dick to calm my anxious ass down."
