Treasured Hearts Christy Newton
Spies, weddings and new beginnings...

Ready to get back to work after a long leave from their PI business, Simon Fisher and Cammie Adams take the first case that comes their way. Someone is selling company secrets and it's up to them to find the spy. But when they get their answer, they uncover much more than espionage. After attending recent family weddings, Simon has become an expert at dodging Cammie's hints about giving her a certain piece of jewelry he has always secretly feared. Simon doesn't know how long he'll be able to keep his girlfriend satisfied without giving her the one thing she still desires.

As they work their case, will Simon and Cammie discover another fortune or will they see that the greatest treasure of all is the one they already have... love?

Andrea Huseman says

What a great finale to the More Than Treasure trilogy. It did an excellent job bringing conclusion to outstanding storylines and characters. This book is full of adventure and excitement as you follow each character to his or her own happy ending. It has a great plot and I didn't want to put it down once I started reading it. Great descriptive and attention grabbing language with a smooth writing style. Highly recommend this series/trilogy. Superb reading!!!!!! AndreaAH (Complimentary Reader Copy)

Rob says

This last book in the trilogy certainly didn't disappoint. The story continued, with a few twists and turns on the way. I enjoyed it despite there being no sex to speak of in it lol. A nice ending to a good story.

Kelly Cole says

My only complaint is that I wish this one was longer. This was another page turner. Couldn't put it down. I really enjoyed getting to see the romance blossom full circle. So rarely do romance novels give you that. I loved watching them fall in love, have baby Ruby then tie the knot at the end. We have great mystery and adventure like the first two books and wonderful finale to a great story.

Jennifer says

Cammie is getting antsy about making the perfect family she has with Simon and Ruby a legally perfect situation. Simon is afraid to get married, but not for the reasons you might think. While trying to figure this out, they are also trying to find out who is selling company secrets for a local corporation, hunt down the long lost daughter of a millionaire, and end up in Europe, Australia, and Africa along the way.

Just like the earlier books in the series, this is a quick and enjoyable read.

Beth says

I couldn't wait to finish the last book in this series and I was not disappointed! I loved the ending Christy Newton had for Simon and Cammie. Now waiting on her new book. :)

Tiffany Flowers says

This is the conclusion to Cammie and Simons story..another great book...

Cammie loves being a mom to ruby. She wants to marry Simon but he hasn't asked her...
Simon has something in his past that keeps him from asking her?

After a few months off from their PI business they get back with a case where someone is selling a companies secrets..it's a big case full of twist and turns..can they solve it?

Perfect ending...to a beautiful story...

Janelle says

The 3rd book in the series.

Again Cammie and Simon find mystery and suspense. When their business takes on a case that should be simple it of course takes some turns.

With Ruby joining their lives will Cammie and Simon end up married or just together?

These book s have been great fast and easy reads. Christy Newton is a wonderful writer.

Tanya Vought says

This is the last book in the More than Treasure series and Christy rocks it! She brings adventure, suspense, jealousy, love, devotion, family and friendship that will captivate you until the very end.

Cammie truly enjoys being a mom to Ruby and having her boyfriend by her side. She loves Simon so much and knows that he would make a remarkable husband as he is a father. So, she is trying to give "subtle" hints on marriage but Simon is ignoring them.

Simon is still so very much in love with Cammie. The moment he met her he was a goner! He loves their daughter and the family they have created esp with Max and Nora as well. Sometimes he wishes of marriage with Cammie but is afraid they could end up like his parents.

Despite not getting married or engaged they have a big job to do with Mr. Wentworth. One that will take them on a bigger case than before especially when they have to pretend to be married!?!
Can Simon handle a job like that? Will they both be up to the challenge or back out of their good paying job?

I loved Simon just like in the other books! He has a huge heart for Cammie and Ruby! I loved his words at the end- Swoon!!

Cammie I loved her devotion and dedication to Simon to prove no matter what he has done she will always love him.

I also loved seeing Miles and the other characters who played a part in the previous 2 books and their lives

will make you smile.

And the ending... I truly enjoyed it! What a wonderful ending!

Treasured Hearts is a beautiful ending to Simon and Cammie's story!

Christy knows how to make us go on a wonderful adventure, fill it with suspense, family and LOVE that captures our hearts!

'Treasured Hearts', the last book in the 'More Than Treasure' series is my favourite, probably because Cammie and Simon finally find their happy ever after.

This time Cammie and Simon investigate a case of industrial espionage but not surprisingly, all is not what it seems. This page turner has it all; romance, adventure and a suspenseful twisty plot. Cammie's sweet nature is a perfect foil to Simon's more cynical outlook but her penchant for attracting trouble threatens their life together.

All the ends are nicely finished in this story as Simon realises a future with Cammie will never be boring. I loved the ending so romantic and hopeful.

I have really enjoyed the characters in this series especially Cammie and Simon who despite their rocky starts have reached their full 'potential'.

Treasured Hearts' and the 'More Than Treasure' series are recommended reading for lovers of gentle, romantic suspense and sparkling romance.

I received a copy of this book from the author in return for an honest review.

Debbie says

Another 5 star read from Author Christy Newton. A wonderful ending to Cammie and Simon's story. This book has it all, a love story, mystery, suspense, weddings, bad guys and happiness. I look forward to starting

the next book by this author. She weaves a captivating tale.

Leslie says

What a fabulous finale for one of my new favorite book couples! In this third and final installment Cammie & Simon have settled in to their new found roles as Mommy & Daddy and are back to their PI Business where they find themselves back in to mystery, mayhem and suspense!

While trying to raise their lil Ruby right and in Simon's case better than he was himself, the couple is juggling being a couple as well as PI partners and it was fun to see these interactions, especially with Ruby. It was sweet to see them come together even more as a couple by bonding over their daughter. I also enjoyed that even though Cammie REALLY wanted a ring/wedding from Simon she never pushed him to do something she knew in her heart he wasn't ready for and while Simon knew he couldn't yet give Cammie what she wanted he did a fabulous job of showing her that he loved her and Ruby endlessly and wasn't going anywhere. It was also nice to see Simon able to resolve the issues that were keeping him from jumping in to the M word.

This book was as faced paced and action packed as the first two and I enjoyed that we got to solve another mystery with the couple, one that was a little different than the previous ones. It's fun when a book drops clues and lets you as the reader try to put them together along with the characters. If you're looking for another witty, fast, action packed, steamy romance Treasured Hearts will deliver!

Shelley Matlack kinder says

I just got done reading this book. I absolutely loved this series. It was a great read. I don't like to write about the book just in case someone reads the review before the book.

Lewlin says

The final part of Simon and Cammie's story and it certainly didn't disappoint.

This trilogy has been really well written, and the storyline has been carefully thought out. The books flowed nicely and the editing was top notch.

Congratulations Christy Newton on a great set of books.

BooksandBeyondFiftyShades says

Someone is selling company secrets and it's up to them to find the spy. But when they get their answer, they uncover much more than corporate espionage. Simon doesn't know how long he'll be able to keep his

girlfriend satisfied without giving her the one thing she still desires. As they work their case, will Simon and Cammie discover another fortune or will they see that the greatest treasure of all is the one they already have... love?

Spies, weddings and new beginnings...

Really enjoyed the romance. I don't remember there being any sex scenes to speak of which I actually enjoyed. This trilogy was full of twists and turns and even though there was no sex the story didn't need it. The story was great just the way it was.

I would definitely recommend this trilogy.

Toni says

I have read all the books in this series and Christy has done it again. This is the last book in the More than Treasure series..These books bring adventure, suspense, jealousy, love, family, friendship,adventures in different countries which was so captivating, an amazing honeymoon gift that was so different you have to read this book to find out I loved it. All Christy's books will captivate you until the very end.

Cammie loves being a mom to Ruby and having her boyfriend Simon by her side but Cammie really wants to be married to Simon so he leave subtle hints for her boyfrind Simon. Which he don't catch on too at first.

Simon is still so very much in love with Cammie. He loves their daughter. Sometimes he wishes of marriage with Cammie but is afraid they could end up like his parents.

Despite not getting married or engaged they have a big P.I job to do for a Mr. Wentsworth. One that will take them on a bigger case than before especially when they have to pretend to be married!??

Can Simon handle a job like that? Will they both be up to the challenge? You have to read it to find out.

And the ending... I truly enjoyed it! What a wonderful ending!

Treasured Hearts is a beautiful ending to Simon and Cammie's story!

I can't stress enough how amazing of a writer Christy is she brings it all in her action packed books.
