## Jonetta says

(I read this in the anthology Love Is Murder.)

Bullet Catcher Donovan Rush is picking up and delivering a diamond purchase to a new client in Paris. Along the way, he encounters some very interesting challenges.

This is a cleverly written story, reminiscent of the early style of the series. While it's short, it manages to pack intrigue, romance, witty banter and a startling twist in a few pages. It's so well done. It's also the last story in the series but not quite the fitting end I had in mind.
