Harley Quinn & the Gotham City Sirens Omnibus Paul Dini

All of the GOTHAM CITY SIRENS starring Batman villains Catwoman, Poison Ivy and Harley Quinn, written by multiple Emmy and Eisner Award-winner Paul Dini are collected into one giant hardcover omnibus for the first time!

This omnibus features the bad girls of Gotham City! Catwoman, Poison Ivy and Harley Quinn are tired of playing by other peoples' rules regardless of which side of the law they're on. These tough ladies have a new agenda that's all their own, and they'll use any means necessary to pursue it. But can they get along and work as a team? And who will get hurt along the way?

Collects GOTHAM CITY SIRENS #1-26 and CATWOMAN #83.

While it's fun to read it all in one sitting, this is a ridiculously large tome. I still wish the artwork had been more consistent (and more anatomically correct, especially in the Sirens' poses during fights), but this was still a great glimpse at our Gotham villains and what could've been.

Emma Gerts says

This was a lot of fun. Like a lot of omnibus comics, it refers to continuities and events I'm not familiar with, since I'm not following the current runs of Batman/Catwoman comics, however that was only a small irk in an otherwise very fun series. The Gotham City Sirens (Catwoman, Poison Ivy and Harley Quinn) are living and working together, each trying to keep each other out of trouble, and mostly getting each other into it. There's an interesting interplay here between Catwoman's essential goodness - she's an anti-hero, but still a hero - Ivy's complete disregard for human life, and Harley's sweet but misguided joy. I like that both Pam and Selina are actively trying to undo the damage the Joker did to Harley's psyche, even if they are eventually, as ever, unsuccessful.

I really enjoyed this, and it was a lot of fun reading an entirely female cast of comic characters - it's like getting to see the other side of the Birds of Prey comics I used to love in my teenaged years.
