## **Lil' Mama Fell In Love With the Plug 2 Toy**

Now all the cards have been laid on the table in the first installment of Lil Mama Fell in Love With The Plug or are there more surprises in store for Yvette and Raheem? One would think that after Terri and Rhamos' deceitful ways had been exposed, that they would have folded and conceded the win to Yvette and Raheem. However, that would be too much like the right thing to do for Rhamos and Yvette with their envious spirits.

Real truths are exposed in the finale of Lil Mama Fell In Love With The Plug, however in all truths its always the person's truth, their opposition's truth and somewhere in the middle lies the absolute, uncensored truth. People always claim that they want someone to keep it 100% with them, but in the final installment, we will see if Yvette and Raheem will be able to handle this situation we call truth.

Get ready to take this final ride with Yvette and Raheem to find out how Lil Mama Fell In Love With Plug, and if their relationship will be able to handle the consequences of what the characters have formed as their truth. One thing is for sure, though, Jabba and Tee always serve their truth with no lemon or sugar.

Will Yvette and Raheem be able to handle their truths with no sugar coating or will they let it destroy what they have worked for?

### **Sonia Shead says**

#### **Good**

I love the storyline, however, I feel like the ending was rushed. Terri's mother and children showed no emotion upon hearing of her demise.

#### **Good ending....**

Whoa...this book had so many things happening in it that it was crazy. That damn Terri was pissing me off big time. She was a true hater to the very end tho. So now I'm wondering if there is going to be another part to this book cuz of the way it ended. I really enjoyed reading this book. This was fire right here! ???

#### **Loved it**

Nice piece of work. This book is filled with laughs, side eyes, and tears. Glad everything worked itself out in the end. Totally agreed with Big R...that chick was obsessed and had to go!

### **Taz Will says**

Short to the point but overall a bit boring because again you don't get anything from the characters. The ending was loss on me but maybe there's another story that has this character in it already. Okay read.

### **Abeni Gregory says**

#### **So much Jerry Springer like drama but couldn't stop reading**

Raheem and Yvette had some craziness going on. His ex and his daddy were doing way too much for me. You have to be crazy as hell to still want someone after his wife has beaten you up and scarred you with relaxer lol. I'm glad that even under the crazy circumstances, they we5e able to continue to grow in their love and finally be happy. I wonder with that ending if we will get a book about this Serrion Lewis.

### **Really**

Terri is all types of sad. All the energy she putting into a man that doesn't want here she should have been putting into her kids. She is just a sorry excuse for a women didn't want to work, be a real mom, or be faithful and thought Raheem was going to keep her around. Where they do that at? So glad Yvette stick it out and finally was able to put the paws on her behind the right way. Terri got exactly what she was asking for. Jabba and Tee are a hilarious mess love the bond they have with Yvette and Raheem. Can't wait to see where this new twist with Serion goes.

### **Great book & ending!!!**

Loved it!!! So glad Yvette didn't let Terri run her off with all her foolishness and she finally tagged her real good, lol. Tee and Jabba are throwed off, I love Tee, 'my hands not pregnant'. I can't believe Big R killed himself and Terri, but he was right, she was never gonna stop interfering in Heem's and Yvette life. ?????

## **Monisah says**

?

It was good Raheem had to go through a lot. His dad wasn't crap. How you so jealous you sleep with all your son's girlfriends. Where his dad killed his baby mama, I was like at least he finally did something for his son.

This book was awesome. That damn Terri was crazy as hell but she got what she deserved. I loved Raheem and Yvette together. Vette said she list one time and that wasn't going to happen again. Jabba and Tee are a mess they brought comic relief to all the drama. Rahmos finally did something fatherly for Raheem. I really enjoyed this series and can't wait for the next one.
